the 23rd June, 1849.

The following Draft of a proposed Act was read in Council for the first time, on the 23rd of June 1849.

ACT No. — OF 1849.

An Act for securing the Land Revenue of Calcutta.

Whereas it is expedient that the Land Revenue, accruing due to the East India Company within Calcutta, be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, It is declared and enacted as follows:

I.—All Assessable Lands, not the property of the East India Company, within the town of Calcutta, of which the rate of Assessment is not known, or which have not heretofore been assessed, shall be assessed at the rate of three annas for each Cottah.

II. Lakhiraj tenures of Land in Calcutta, of which uninterrupted possession has been held, under alleged grants, exempt from Assessment for sixty years, shall be valid: no other Lakhiraj tenures of Land in Calcutta shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. If any owner of Land, or any person holding Land on lease from the East India Company shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the Land is assessed, or for which he is liable under his lease, the Collector may levy the same, by distress and sale of the Goods and Chattels, wherever found, of such owner or lessee, or, after written demand upon the tenant or occupier, and his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any Goods and Chattels found upon the Land.

IV. In the case of payment by any tenant or occupier, not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

V. The claim of the East India Company for Land Revenue or rent has priority over all other claims upon the land or to which property distrained upon the land may be liable.

VI. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

VII. Arrears of rent or revenue due to the East India Company are recoverable, within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable or his Agent, and not afterwards.

VIII. When a claim to hold land Lakhiraj, or free of Assessment, shall be set up under this Act, the Collector shall inquire into the claim, taking such evidence as the claimant may offer, or the public Records supply, and shall report his proceedings in the case for the consideration of the Commissioner and Sudder Board of Revenue. If the Sudder Board of Revenue are satisfied of the validity of the claim, they shall make an order accordingly, and such order shall be final. If they are not satisfied of the validity of the claim, they shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts as herein provided.

IX. Any person obstructing or molesting the Collector or any of his Subordinate Officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Calcutta, be liable to a fine not exceeding Five hundred rupees, and in default of payment to imprisonment in the Common Jail for a term not exceeding six months, or until the fine is sooner paid.

X. The Collector may punish any contempt committed in his presence, in open Cutcherry or Office, by fine, not exceeding Two hundred rupees, and in default of payment by imprisonment in the Common Jail for a term not exceeding one month: from every such order of fine or imprisonment, an appeal shall lie to the Commissioner, whose decision shall be final.

XI. The Collector shall act in the execution of this Act under the usual controul of the Superior Revenue Authorities.

XII. The Ground Rents payable to the East India Company from Lands in Calcutta are Revenue, within the meaning of the Act of Parliament 21 Geo. III. C. 70, and the Supreme Court of Judicature established by Royal Charter at Fort William in Bengal has not any civil jurisdiction concerning the said Ground Rents, or concerning any thing ordered or done in the Assessment or collection thereof.

XIII. All actions concerning any trespass or injury committed by any Revenue Officer acting under colour of this Act, or concerning any claim in respect of any goods taken by or any monies paid to any Revenue Officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company in the Twenty-four-Pergunnahs; notwithstanding that the cause of action, in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Calcutta; and every such action shall be brought within six

months after the cause of action arose, and not afterwards.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 23rd day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

A Gradation List of the Officers of the Bengal Army—a List of Field Officers in regimental succession—the Staff and various Military Departments—the Regiment of Artillery—Corps of Engineers—Her Majesty's and the Honorable Company's Cavalry and Infantry Regiments—Local and Irregular Corps, attached or belonging to the Bengal Presidency—the Invalid and Pension Establishments—Medical Department—Ecclesiastical Establishment—General Distribution of the Bengal Army—Gradation List of the General and Field Officers of Her Majesty's and the Honorable Company's Service—and a List of Officers in Civil and Political employ.

The Honorary Distinctions gained by Corps and Individuals will also be given, with the Special Field Services of all Officers who have responded to the requisition of the General Management of the Military Orphan Society.

The ARMY LIST will be published on Hart's plan, and all profits arising from its sale be added to the Funds of the Military Orphan Society.

In addition to this strong claim to the patronage of the Army, for whose benefit it is intended, it will place on permanent record the Field Services of every Officer of the Bengal Army.

It is not expected that the first Number will be entirely free from error; but as great care has been taken by the Officers entrusted with its preparation to verify the dates of Commission and Promotion, it is hoped that absolute accuracy will shortly be obtained.

The Field Services of every Officer who has communicated with the General Management, will be recorded, and those of all Officers who have not yet been able to comply with the requisition, will be published in each succeeding Quarterly Number, as they are furnished.

The CIVIL LIST will exhibit the date of commencement of Service, the date of arrival in India, and the present office and date of appointment to it, of every Member of that branch of the Service.

The publication of the above ARMY and CIVIL LISTS, for which several hundred Subscribers in every part of India, are already enrolled, will afford an eligible opportunity for advertisements, the charge for which may be ascertained by application to the Superintendent of the Military Orphan Press.

The Price of each Quarterly Number will be Co.'s Rs. 3, paid in advance.

Intending Subscribers are requested in future to address all communications to R. C. Lepage and Co., British Library.

Fort William, Home Department, Legislative,
the 23rd June, 1849.

The following Draft of a proposed Act was read in Council for the first time, on the 23rd of June 1849.

ACT No. — of 1849.

An Act for securing the Land Revenue of Calcutta.

Whereas it is expedient that the Land Revenue, accruing due to the East India Company within Calcutta, be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, It is declared and enacted as follows:

I.—All Assessable Lands, not the property of the East India Company, within the town of Calcutta, of which the rate of Assessment is not known, or which have not heretofore been assessed, shall be assessed at the rate of three annas for each Cottah.

II. Lakhiraj tenures of Land in Calcutta, of which uninterrupted possession has been held, under alleged grants, exempt from Assessment for sixty years, shall be valid: no other Lakhiraj tenures of Land in Calcutta shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. If any owner of Land, or any person holding Land on lease from the East India Company shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the Land is assessed, or for which he is liable under his lease, the Collector may levy the same, by distress and sale of the Goods and Chattels, wherever found, of such owner or lessee, or, after written demand upon the tenant or occupier, and his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any Goods and Chattels found upon the Land.

IV. In the case of payment by any tenant or occupier, not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

V. The claim of the East India Company for Land Revenue or rent has priority over all other claims upon the land or to which property distrained upon the land may be liable.

VI. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

VII. Arrears of rent or revenue due to the East India Company are recoverable, within six years next after the same are due, or next after an acknowledgment of the same in writing has been

given by the person by whom the same is payable or his Agent, and not afterwards.

VIII. When a claim to hold land Lakhiraj, or free of Assessment, shall be set up under this Act, the Collector shall inquire into the claim, taking such evidence as the claimant may offer, or the public Records supply, and shall report his proceedings in the case for the consideration of the Commissioner and Sudder Board of Revenue. If the Sudder Board of Revenue are satisfied of the validity of the claim, they shall make an order accordingly, and such order shall be final. If they are not satisfied of the validity of the claim, they shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts as herein provided.

IX. Any person obstructing or molesting the Collector or any of his Subordinate Officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Calcutta, be liable to a fine not exceeding Five hundred rupees, and in default of payment to imprisonment in the Common Jail for a term not exceeding six months, or until the fine is sooner paid:

X. The Collector may punish any contempt committed in his presence, in open Cutcherry or Office, by fine, not exceeding Two hundred rupees, and in default of payment by imprisonment in the Common Jail for a term not exceeding one month: from every such order of fine or imprisonment, an appeal shall lie to the Commissioner, whose decision shall be final.

XI. The Collector shall act in the execution of this Act under the usual controul of the Superior Revenue Authorities.

XII. The Ground Rents payable to the East India Company from Lands in Calcutta are Revenue, within the meaning of the Act of Parliament 21 Geo. III. C. 70, and the Supreme Court of Judicature established by Royal Charter at Fort William in Bengal has not any civil jurisdiction concerning the said Ground Rents, or concerning any thing ordered or done in the Assessment or collection thereof.

XIII. All actions concerning any trespass or injury committed by any Revenue Officer acting under colour of this Act, or concerning any claim in respect of any goods taken by or any monies paid to any Revenue Officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company in the Twenty-four-Pergunnahs; notwithstanding that the cause of action, in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Calcutta: and every such action shall be brought within six months after the cause of action arose, and not afterwards.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 23rd day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{2}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{2}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

A Gradation List of the Officers of the Bengal Army—a List of Field Officers in regimental succession—the Staff and various Military Departments—the Regiment of Artillery—Corps of Engineers—Her Majesty's and the Honorable Company's Cavalry and Infantry Regiments—Local and Irregular Corps, attached or belonging to the Bengal Presidency—the Invalid and Pension Establishments—Medical Department—Ecclesiastical Establishment—General Distribution of the Bengal Army—Gradation List of the General and Field Officers of Her Majesty's and the Honorable Company's Service—and a List of Officers in Civil and Political employ.

The Honorary Distinctions gained by Corps and Individuals will also be given, with the Special Field Services of all Officers who have responded to the requisition of the General Management of the Military Orphan Society.

The ARMY LIST will be published on Hart's plan, and all profits arising from its sale be added to the Funds of the Military Orphan Society.

In addition to this strong claim to the patronage of the Army, for whose benefit it is intended, it will place on permanent record the Field Services of every Officer of the Bengal Army.

It is not expected that the first Number will be entirely free from error; but as great care has been taken by the Officers entrusted with its preparation to verify the dates of Commission and Promotion, it is hoped that absolute accuracy will shortly be obtained.

The Field Services of every Officer who has communicated with the General Management, will be recorded, and those of all Officers who have not yet been able to comply with the requisition, will be published in each succeeding Quarterly Number, as they are furnished.

The CIVIL LIST will exhibit the date of commencement of Service, the date of arrival in India, and the present office and date of appointment to it, of every Member of that branch of the Service.

The publication of the above ARMY and CIVIL LISTS, for which several hundred Subscribers in every part of India, are already enrolled, will afford an eligible opportunity for advertisements, the charge for which may be ascertained by application to the Superintendent of the Military Orphan Press.

The Price of each Quarterly Number will be Co.'s Rs. 3, paid in advance.

Intending Subscribers are requested in future to address all communications to R. C. Lepage and Co., British Library.

the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to

be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

AT THE BENGAL MILITARY ORPHAN PRESS,

THE NEW QUARTERLY BENGAL ARMY AND CIVIL LISTS,

CONTAINING

A Gradation List of the Officers of the Bengal Army—a List of Field Officers in regimental succession—the Staff and various Military Departments—the Regiment of Artillery—Corps of Engineers—Her Majesty's and the Honorable Company's Cavalry and Infantry Regiments—Local and Irregular Corps, attached or belonging to the Bengal Presidency—the Invalid and Pension Establishments—Medical Department—Ecclesiastical Establishment—General Distribution of the Bengal Army—Gradation List of the General and Field Officers of Her Majesty's and the Honorable Company's Service—and a List of Officers in Civil and Political employ.

The Honorary Distinctions gained by Corps and Individuals will also be given, with the Special Field Services of all Officers who have responded to the requisition of the General Management of the Military Orphan Society.

The ARMY LIST will be published on Hart's plan, and all profits arising from its sale be added to the Funds of the Military Orphan Society.

In addition to this strong claim to the patronage of the Army, for whose benefit it is intended, it will place on permanent record the Field Services of every Officer of the Bengal Army.

It is not expected that the first Number will be entirely free from error; but as great care has been taken by the Officers entrusted with its preparation to verify the dates of Commission and Promotion, it is hoped that absolute accuracy will shortly be obtained.

The Field Services of every Officer who has communicated with the General Management, will be recorded, and those of all Officers who have not yet been able to comply with the requisition, will be published in each succeeding Quarterly Number, as they are furnished.

The CIVIL LIST will exhibit the date of commencement of Service, the date of arrival in India, and the present office and date of appointment to it, of every Member of that branch of the Service.

The publication of the above ARMY and CIVIL LISTS, for which several hundred Subscribers in every part of India, are already enrolled, will afford an eligible opportunity for advertisements, the charge for which may be ascertained by application to the Superintendent of the Military Orphan Press.

The Price of each Quarterly Number will be Co.'s Rs. 3, paid in advance.

Intending Subscribers are requested in future to address all communications to R. C. Lepage and Co., British Library.

the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be pro-

vided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE TO MARINERS.

NOSSHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by MR. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elziness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from

N. E. $\frac{1}{2}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

“For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British

“Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one *Farthing* per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged.”

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. $58^{\circ} 28' 38''$ and in W. long. $3^{\circ} 3' 5''$. By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elziesness N. N. E. $\frac{1}{4}$ E., distant $1\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant $6\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant ob-

server, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one Farthing per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged."

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1 $\frac{1}{2}$ 10d. per Company's Rupee, until further notice.

It is also further notified, that in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble

Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

* In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Agra, the 5th July, 1849.

TO THE POST MASTER.

SIR,—The Right Hon'ble the Governor General having been pleased as a temporary measure to reduce the Postage chargeable on Letters from places beyond the limits of the Punjab to the Stations enumerated in margin.*

I have the honor to inform you, that from the date of the receipt of this Circular, the single Postage to be levied on Letters for any of the above-mentioned Stations, will be Half Anna in excess of that which would be charged if the Letters were addressed to Lahore.

Banghy Postage will be Six Annas for each 50 Tolas, in excess of the Lahore rate.

An Extract from the Letter of the Secretary to Government of India, authorizing this reduction, accompanies this Circular.

I have the honor to be, Sir,

Your most obedient servant,

SEAL OF

POST MASTER GENERAL, N. W. P.

Extract from a Letter, No. 1024, dated 21st June 1849, from the Secretary to Government of India, to the Post Master General, N. W. P.

Para. 2. The Governor General is likewise pleased, after well considering your proposal for a diminution of the rate of Postage in the new Territories, to sanction the reduction which you have recommended.

Para. 3. Having regard to the peculiar circumstances under which the correspondence is at present carried on with distant Stations in the Punjab, the Governor General thinks it reasonable, that a reduced rate of Postage should be demanded by the Government.

MARINE COURT.

At a Court assembled on Saturday, the Nineteenth day of May, One Thousand Eight Hundred and Forty-nine, under Act No. 24 of 1845, Mr. Mate Pilot William Henry Harrison, was tried on the following—

CHARGES.

1st Charge.—That he the said Mr. Mate Pilot William Henry Harrison, when in pilotage charge of the inward-bound American ship *Eliza Warwick*, on or about the 26th of April, 1849, through ignorance, unskilfulness, or neglect of duty, in not shortening sail sufficiently, and stopping the vessel's way, caused the Kedgerree Dawk Boat to be capsized while alongside the said ship, and thereby seriously endangered the lives of all the boat's Crew, excepting four, who it is supposed, got on board the Vessel.

2nd Charge.—That after the boat was so upset and full of water, he, the said Mate Pilot William Henry Harrison, was guilty of great inhumanity, and neglect of duty, in that he, though he must have seen all the crew except four, who, it is believed, got on board the ship, clinging to the boat, never sent any assistance to them, but proceeded on and left them drifting in their perilous position from which they were not relieved until about twelve hours afterwards when a boat from the *Ariel* picked them up, such conduct being highly disgraceful to him as a man, and a public officer.

By order of the Superintendent of Marine,

(Signed) JAMES SUTHERLAND,
Secretary.

Fort William, the 14th of May, 1849.

FINDING.

The Court having maturely weighed and considered the evidence brought forward in support of the prosecution together with that adduced on the defence, is of opinion, that the defendant, Mr. Mate Pilot William Henry Harrison, is Guilty of the first Charge preferred against him.

Not Guilty of the second Charge preferred against him.

SENTENCE.

The Court awards that Mr. Mate Pilot William Henry Harrison, be severely reprimanded.

(Signed) HENRY PIDDINGTON,
President.

(Signed) R. S. ROSS,
Offg. Judge Advocate.

Fort William,
Master Attendant's Office,
The 26th of May, 1849. }

The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case as follows :

Para. 2nd. " Mr. Harrison was tried upon two charges. The Court acquit him of the second charge, and His Honor makes no remark upon that part of the case.

Para. 3rd. The first Charge was for having while in Pilotage charge of the *Eliza Warwick* through ignorance, unskilfulness or neglect of

duty in not shortening sail sufficiently and stopping the vessel's way, caused the Kedgerree Dawk Boat to be capsized while ' alongside of the said ship, and thereby seriously endangered the lives of all the boat's crew, excepting four, who, it is supposed, got on board the vessel.' Of this charge the Court find Mr. Harrison guilty; and upon this finding, the sentence they award is, that Mr. Harrison be severely reprimanded. To this sentence the Court adhered upon revision.

Para. 4th. The Deputy Governor entirely concurs with you in thinking this sentence quite inadequate as a punishment for the offence that has been proved against Mr. Harrison. He placed the lives of eight men in the most imminent danger by swamping their boat when in such a situation that he considered it necessary to leave them to their fate; and he did this by his proved ignorance, unskilfulness or neglect of duty. The lives of the men were saved by their being picked up providentially by a vessel, after they had been clinging to their boat filled with water, and floating up and down with the tide all night. There is nothing in the evidence to induce His Honor to think the severest reprimand an adequate punishment for such an offence.

Para. 5th. His Honor has recorded his disapproval of the sentence. Mr. Harrison will be released from arrest, and will return to his duty."

In conformity to the above decision, the Master Attendant has been desired to release Mr. Mate Pilot William Henry Harrison from arrest, and allow him to return to his duty.

By order of the Superintendent of Marine,

JAMES SUTHERLAND,
Secretary.

Fort William, the 26th July, 1849.

NOTICE TO MARINERS.

NOSSEHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elzieness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red.

The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

“For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one *Farthing* per Ton of the Burden of every such Vessel, for each time

“of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged.”

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as

is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE TO MARINERS.

NOSSEHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners :—

The Lighthouse is in N. lat. $58^{\circ} 28' 38''$ and in W. long. $3^{\circ} 3' 5''$. By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{3}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{3}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elzieness N. N. E. $\frac{1}{4}$ E., distant $1\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant $6\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{3}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{3}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz :—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one Farthing per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged."

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{3}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

NOTICE TO MARINERS.

NOSSEHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{3}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{3}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elzieness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{4}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{4}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{3}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{3}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

“For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one *Farthing* per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged.”

NOTICE TO MARINERS.

NOSSHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners.—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elzieness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one Farthing per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged."

MARINE COURT.

At a Court assembled on Monday, the Eleventh day of June, One Thousand Eight Hundred and Forty-nine, under Act XXIV. of 1845, Mr. Master Pilot Thomas Scallan was tried on the following Charge

For conduct highly improper and subversive of order and discipline in the following instances:

First Instance.—In having, while on board the Hon'ble Company's Pilot Brig "Cavery," on or about the 19th of March last, presumed to make observations and remarks on the conduct of Mr. Branch Pilot George Moxon, at that time in command of the Hon'ble Company's Pilot Brig "Megna," tending seriously to lessen the respect due to that Officer, and to bring him, the said Mr. Branch Pilot George Moxon, into contempt.

Second Instance.—In having produced and publicly read aloud on the deck of the Hon'ble Company's Pilot Brig "Cavery," on or about the 19th of March last, in the hearing of several Officers of the Pilot Service, a letter or document, purporting to have been written by the Super-cargo of the American Ship Arragon, which Ship Mr. Moxon piloted from Calcutta to Sea, in the month of October 1845, which letter, or document was in the following words, or to the following effect :

"October 7th 1846.—Mr. Moxon, the Pilot, applied for and was appointed to the Ship Arragon, then ready for Sea. During our passage down the River, he caused so much trouble to myself and others that I was induced to write a letter to Mr. Rogers, Master Attendant, complaining of his conduct, also one to the Agent of the Ship in Calcutta, stating that he had behaved in a most shameful manner, and annoyed unnecessarily every one on board the Ship; one of these letters was given to Mr. William Cox, leadsman, to deliver, but the Pilot, Mr. Moxon, took it from him by force, the other I gave to Mr. Moxon himself, after reading it aloud in his and others' presence, neither of these letters have reached their destination, consequently Mr. Moxon must have destroyed them."

(Signed,) C. F. PORTER.

the accusation of withholding or keeping back letters entrusted to him, being as Mr. Branch Pilot Moxon states in a letter to the Master Attendant, under date the 8th instant, most grossly false and calumnious.

Third Instance.—In having on several occasions spoken in a derogatory manner of Mr. Branch Pilot George Moxon, and having circulated a false and malicious report tending to lessen the respect due to the said Mr. Branch Pilot George Moxon, such conduct being a breach of the 11th Article of the Penal Code for the better order and government of the Pilot Service, passed by the order of the Right Hon'ble the Vice-President in Council, under date the 21st December 1826.

By order of the Supdt. of Marine,

(Sd.) JAMES SUTHERLAND, Secy.

Fort William, the 31st May, 1849.

FINDING.

The Court having maturely weighed and considered the evidence brought forward in support of the Prosecution together with that adduced on the defence, is of opinion that the Defendant, Mr. Mate Pilot Thomas Scallan, is

First Instance.—Not Guilty of the 1st instance of the Charge.

Second Instance.—Guilty of having produced and read the letter, but not publicly, and without any malicious intent, and without the intention of subverting discipline.

Third Instance.—Guilty of having on one occasion spoken in a derogatory manner of Mr. Branch Pilot George Moxon, but not Guilty of having circulated false and malicious reports.

SENTENCE.

The Court do sentence Mr. Master Pilot Thomas Scallan to loss of pay to the amount of (16) Sixteen Rupees.

President.

Offg. Judge Advocate.

REMARKS.

The Court desires to remark that it considers that Mr. Branch Pilot George Moxon has been actuated more by private resentment than public motives in instituting these charges against Mr. Master Pilot Thomas Scallan.

(Signed,) HENRY PIDDINGTON,
President.

The proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case as follows :

Para. 2. "On the first charge Mr. Scallan was pronounced Not Guilty.

Para. 3. The second charge is for conduct highly improper and subversive of order and discipline in having on a certain occasion produced and publicly read a letter he had received from an American Gentleman, accusing Mr. Moxon of withholding letters that had been entrusted to him for delivery, such accusation of withholding letters being most grossly "false and calumnious."

Para. 4. The Court find Mr. Scallan "Guilty" of having produced and read the letter, but not publicly, and not with any malicious intent, and without the intention of subverting discipline; but they refused to go into evidence as to the truth of the accusation made in the letter. His Honor observes that in this, the Court refused to try the charge that was before them. Mr. Scallan was not charged with conduct subversive of order and discipline in reading a certain letter, he was charged with such conduct in reading a certain letter, containing an accusation that was false and calumnious. His Honor agrees with the Court in thinking that under the circumstances, the truth of that accusation was not a matter proper for trial by them in Mr. Scallan's case. But considering how much of the charge was thrown aside, and how much of it was negatived by the finding, His Honor can hardly distinguish the result from an acquittal.

Para. 5. On the third charge the Court find Mr. Scallan Guilty of having on one occasion spoken in a derogatory manner of Mr. Moxon. On that occasion, in speaking to a person, not a Pilot, one day, whilst on shore, Mr. Scallan coupled Mr. Moxon's name with an injurious epithet. This appears to His Honor wholly insufficient as an instance of conduct subversive of order and discipline.

Para. 6. Upon the whole subject, the Deputy Governor desires me to convey his opinion that such matters as this for which Mr. Scallan has been tried, were not meant to become matters for trial by a Marine Court. The Article of the Penal Code for Pilots, Article 11, under which the charges are tried, does not seem to His Honor to apply to such private matters as this. His Honor is of opinion that in the Pilot Service the charges that should be brought before a Marine Court, are charges affecting the conduct of Members of the Service as Pilots; not their private disagreements with each other; unconnected with points of duty."

Para. 7. His Honor therefore cannot confirm the Proceedings of the Marine Court in this case. Mr. Scallan will return to his duty.

In conformity with the above decision the Master Attendant has been desired to release Mr.

Master Pilot Thomas Scallan from arrest, and allow him to return to his duty.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India

Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE TO MARINERS.

NOSSHED LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners :—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elbueness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz :—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one Farthing per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged."

BENGAL CIVIL FUND.

At a Half Yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, on Tuesday, the 31st July, 1849.

PRESENT:

Messrs. G. Udny, W. B. Jackson, J. J. Harvey, E. Currie, J. Dunbar, F. J. Halliday, E. Bentall, H. T. Raikes, G. Adams, B. J. Colvin, G. A. C. Plowden, H. R. Alexander, A. C. Bidwell, J. G. Campbell, J. H. Young, R. W. Hughes, C. Beadon, W. Grey, W. Seton-karr, J. W. Dalrymple, W. Maples, C. P. Hobhouse, C. S. Belli, and H. Pratt.

WELBY B. JACKSON, Esq., in the Chair.

Read the following Report by the Managers:

"The Managers beg to lay before the Meeting an Abstract of their proceedings during the last six months.

"The result of their Circular, dated 8th February 1849, and their "Notice," dated 23rd March following, regarding the case of the family of the late Fred. Stainforth, having been published with the proceedings of the Special General Meeting of Subscribers of 28th May last, it remains to state that the same has been reported for the information of the Hon'ble Court of Directors, and that the Agents of the Fund, in London, have been instructed to pay Mrs. Stainforth the full allowances, which were claimed for her, with retrospective effect.

"The case of Miss Stone has been submitted to the Subscribers by Circular dated April 1849, and the votes received in consequence are herewith submitted and exhibit 96 against 43 votes, giving a majority of 53 in favor of her claim.*

* Allowance per Annum,.....	£100	0	0

And 1-5th of her Father's Estate, £2,403 18 9—19 4 8			
	55	14	8
	£44	5	9

"The Managers have notified in the Gazette and two daily newspapers, under date 7th April last, and to Messrs. Coutts and Co., the confirmation by the Subscribers of the Rule adopted at the General Meeting of 31st January, regarding Pensions that may remain undrawn in the hands of the Home Agents of the

Fund beyond three months after the due date, lying thenceforward at the risk of the Pensioner.

"Mrs. C. G. Udny and three children were admitted to the benefits of the Fund by the Meeting of 30th January 1845, with the marginal adjustment of private income and Fund allowances.* On the 15th May 1847, she married Mr. Pretty. The two surviving children remained on the Fund, and the portion of the private income accruing from the late Subscriber their Father's Estate, viz. £118-11-9, was continued to be deducted from the allowances of his children. But as the deceased Subscriber had by his Will assigned all his property to his widow individually; there was a question in the Management whether the children should not have full allowances without any deduction—see paper A annexed.

"Mrs. Emelia. Fraser, widow of Alexr. Fraser deceased 7th March 1848, seeks admission with her two children to the benefits of the Fund. The deceased has left large property, but it appears to be almost overwhelmed with mortgages and debts. The Managers recommend that the family be admitted on the Fund on an allowance of £300 per annum, subject to future adjustment on receiving full information of the results of the Estate.

"Mrs. Charlotte James applies for re-admission on the Fund. She claims its benefits under right of her former husband, Thomas Inglis, C. S., who died 26th June 1814, from which date it appears she was admitted to £300 per annum, which she continued to receive till the 30th June 1830. She married the Revd. Maurice James on the 17th June 1830, and by his death on the 17th September last, without leaving a sufficient provision for her support, she becomes entitled to admission on the Fund with the allowances noted opposite.

Less Interest of property sworn below £1,500, yielding say £60 with £63 from other Legacies,.....	153	0	0
	£247	0	0

"A posthumous child of the late C. A. Lushington, whose widow and elder daughter were admitted by the Meeting, in January 1848, is to be admitted to the benefits of the Fund, from the date of her birth, viz. 18th June 1848.

"The Managers submit the Accounts of the Fund for the past year 1848-49, balanced to the 30th April last, with Rs. 18,16,601-1-4, which is invested in 20 Treasury Notes. The annexed Abstract of the Accounts will be published—B.

"A communication has been received from the Accountant to the Government of Bengal, under date 26th June 1849, proposing the substitution of a system of entries in account' of the funds of the Institution, instead of the original and constant practice of investments of its monthly balances in Treasury Notes bearing interest. The Managers are prepared to acquiesce in the Accountant's proposal (which seems to be intended to be applied generally to all the Bengal Service Funds,) on the understanding that its operation will not unfavorably affect the Fund's receipts by interest on Capital and current Subscriptions.

"The Managers have received the printed Report of the Committee appointed by the General Meeting of 31st January 1849, which they have distributed among the general body of Subscribers. According to the direction of that Meeting the Managers will convene a Special General Meeting for an early day, for the consideration of the new Rules proposed in the Report."

Proposed by Mr. Halliday, and seconded by Mr. Grey—

That the Managers be instructed that in the case of the family of the late C. G. Udny, the private income of £118-11-9 be *not* deducted from the allowances of the children, and if any directions for such deduction have been already sent to England, that they be recalled and full payments made.

Carried—12 voting for, and 3 against the proposition—

Proposed by Mr. E. Currie and seconded by Mr. Plowden—

That it is the opinion of this Meeting that Clause 1, Article XXVI. be construed in accordance with the principle laid down in the letter of the 24th September 1842 from the Managers to Mr. H. Nisbet—C.

Carried—12 voting for, and 1 against the proposition.

Proposed by Mr. Harvey, and seconded by Mr. Grey—

That the Managers be instructed to revise their previous proceedings in accordance with the general principle affirmed by this Meeting, and grant the additional allowances to which the different families may thus be entitled.

Carried by 12 against 1.

Proposed by Mr. Harvey, and seconded by Mr. Grey—

That Miss Stone be admitted to the benefits of the Fund.

Carried by 12 against 3.

Resolved, that in respect of the other cases and questions referred to in the Managers' Report, their decisions be approved and confirmed.

Thanks were voted to the Chairman.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras

and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE TO MARINERS.

NOSSEHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners :—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elziesness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz :—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated

"wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one *Farthing* per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged."

XXX. Whenever any goods or chattels shall be seized as aforesaid, and within one Calendar month no person shall appear before the Collector to claim the same, the Justice shall examine into the cause of the seizure, at a place and time of which notice shall have been given by the Collector in the *Calcutta Gazette*, and give judgment for the confiscation of such of the goods and chattels, as, upon such examination, shall appear to him liable to forfeiture; and, upon confiscation thereof, shall issue his warrant for the disposal of them, as if the owner had been summoned to attend the said Justice.

XXXI. All fines leviable under this Act, except under Section XXXVIII., shall be adjudged by any Justice of the Peace for the Town of Calcutta, and the said Justice, upon information exhibited before him by order of the Collector, shall, forthwith summon the parties accused, and upon their appearance or default shall examine into the matter, and upon due proof made thereof, by the voluntary confession of the parties, or by the oath or solemn affirmation, in cases wherein a solemn affirmation is receivable by law instead of an oath, of one or more credible witnesses, shall give judgment accordingly; and, in default of payment of any fine to which an offender is adjudged,

he shall be liable, by order of the said Justice, to imprisonment in the Common Jail, for a period not exceeding six months, or until the fine is sooner paid: and no proceedings shall be taken under this Section by any Justice of the Peace after the expiration of three Calendar months from the date of the offence by which the fine was incurred.

XXXIV. All fines levied under this Act, the disposal of which is not specially provided for, shall belong to Government; but the Board of Customs, Salt and Opium may grant any portion thereof, not exceeding one-half, as rewards to Informers, or as compensation to parties injured by any proceedings under this Act.

XXXV. No Writ of *Certiorari* shall be issued at the suit of any party out of the Supreme Court of Judicature, to supersede, stay, remove or in anywise affect any information or judicial proceeding before any Justice of the Peace, in pursuance of this Act, and no judgment thereupon shall be quashed, except for error of law apparent on the face of the judgment.

XXXVII. All actions and prosecutions to be commenced against the Collector or any Abkaree Officer, or any person acting in aid of any such Officer, for any thing done in pursuance of this Act, shall be commenced within three Calendar months after the fact committed, and not after-

wards; and notice in writing of such action and of the cause thereof shall be given to the Defendant one Calendar month at least before the commencement of the action; and no Plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs, by or on behalf of the Defendant.

 ment Steam Agent at Rampore Bauleah, from the
 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,
 Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

NOTICE TO MARINERS.

NOSSHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elziness N. N. E. $\frac{1}{4}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{2}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant observer, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light

will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

"For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same "not belonging to Her Majesty, her heirs and "successors, or being navigated wholly in ballast), "and for every Foreign Vessel which, by any Act "of Parliament, Order in Council, Convention, "or Treaty, shall be privileged to enter the Ports "of the said United Kingdom, upon paying the "same duties of Tonnage as are paid by British "Vessels (the same not being Vessels navigated "wholly in ballast) which shall pass the said "Lighthouse upon Nosshead, or derive benefit "thereby, the Toll of one Farthing per Ton of "the Burden of every such Vessel, for each time "of passing the said Lighthouse, or deriving be- "nefit thereby, on a Coasting Voyage, and double "the said Toll for passing or deriving benefit on "an Oversea Voyage; and Double the said res- "pective Tolls for every Foreign Vessel not so "privileged."

ACT No. — of 1849.

An Act to enable improvements to be made in Towns.

Whereas Act No. X. 1842, was passed for enabling the inhabitants of any place of public resort or residence, under the Presidency of Fort William, not within the Town of Calcutta, to make better provision for purposes connected with public health and convenience, but the said Act has proved ineffectual for the purpose, and it is expedient to amend the provisions thereof, and to extend the like powers to the inhabitants of Towns in the other Presidencies under the Government of the East India Company, It is enacted as follows:

I. Act No. X. 1842, is repealed.

II. If it shall appear to the Governor or Governor in Council, or Lieutenant Governor of any Presidency or Place within the Territories under the Government of the East India Company, that the inhabitants of any Town or Suburb, not within the Town of Calcutta, Madras, or Bombay, are desirous of making better provision for making, repairing, cleaning, lighting, or watching any public streets, roads, drains, or tanks, or for the prevention of nuisances, or for improving the said Town or Suburbs in any other manner, the said Governor or Governor in Council, or Lieutenant Governor may order this Act to be put in Force within such Town or Suburb.

III. Whenever any application shall be made to the Government for putting this Act in force in any Town or Suburb, notice thereof shall be given in the *Government Gazette* of the Presidency, or place, setting forth the purposes of the application, and giving reasonable time for all inhabitants of such Town or Suburb, who are minded to declare themselves for or against the adoption of this Act therein, for such purposes or any of them.

IV. INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

NOTICE TO MARINERS.

NOSSHEAD LIGHTHOUSE.

THE Commissioners of the Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon the Point of Nosshead, in the County of Caithness, the Light of which will be exhibited on the Night of Monday, the 18th June 1849, and every Night thereafter, from Sun-set till Sun-rise.

The following is a Specification of the Lighthouse and the appearance of the Light, by Mr. ALLAN STEVENSON, Engineer to the Commissioners:—

The Lighthouse is in N. lat. 58° 28' 38" and in W. long. 3° 3' 5". By Compass the Lighthouse bears from Ackergill Tower in Sinclair's Bay, E. by S. $\frac{1}{4}$ S., distant 2 miles; from Duncansby Head, S. S. W. $\frac{1}{4}$ W., distant 10 miles; from Pentland Skerries Lighthouse, S. W. by S. $\frac{1}{4}$ W., distant 13 miles; from Elziness N. N. E. $\frac{1}{2}$ E., distant 1 $\frac{1}{2}$ mile; and from Sarclethead, N. E. $\frac{1}{4}$ N., distant 6 $\frac{1}{4}$ miles.

The Nosshead Light will be known to Mariners as a Revolving Light, which gradually attains its brightest state once every half minute, and then as gradually declines until, to a distant ob-

server, it totally disappears. The light will be visible towards the North and East, between W. N. W. and S. W. $\frac{1}{4}$ W. From S. W. $\frac{1}{4}$ W. to N. E. $\frac{1}{4}$ N. in a South-easterly direction, the light will be of the natural appearance; but from N. E. $\frac{1}{4}$ N. to W. N. W. in a Northerly direction, (or within Sinclair's Bay,) it will be coloured Red. The Lantern is elevated 175 feet above the level of the Sea; and the Light will be seen at the distance of about 15 miles, and at lesser distances according to the state of the atmosphere; and, to a near observer, in favourable weather, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th August 1848, the following Tolls will be levied in respect of this Light, viz:—

“For every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every Foreign Vessel which, by any Act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by British Vessels (the same not being Vessels navigated wholly in ballast) which shall pass the said Lighthouse upon Nosshead, or derive benefit thereby, the Toll of one Farthing per Ton of the Burden of every such Vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a Coasting Voyage, and double the said Toll for passing or deriving benefit on an Oversea Voyage; and Double the said respective Tolls for every Foreign Vessel not so privileged.”

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India

Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Published by order of the Hon'ble the President in Council,

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 11th of August 1849, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XI. OF 1849.

For securing the Abkaree Revenue of Calcutta.

For better securing the Abkaree Revenue of Calcutta, It is enacted as follows :

I. Act I. 1842, Act XXVI. 1845, Section 26, Regulation II. 1802, of the Bengal Code, and so much of Clause CLIX., of an Act of Parliament, numbered Chapter LII., of the Statutes passed in the Thirty-third Year of the reign of King George the Third, as relates to the sale of Arrack or other Spirituous Liquors, within the Town of Calcutta, and to the punishment of unlicensed Traders in Spirits or Spirituous Liquors, within the said Town, are repealed.

II. The collection of the Revenue arising from the retail sale of Spirituous or Fermented Liquors and intoxicating drugs, within the Town of Calcutta, shall be under the charge of the Collector of Calcutta, who shall perform the duties connected therewith under the controul of the Commissioner of Abkaree and the Board of Customs, Salt and Opium; and all proceedings of the Collector held under this Act shall be subject, with or without appeal, to their revision.

III. The Collector may appoint Constables, Darogahs, Jemadars, Burkundauzes, and other Officers, for collection of the said Revenue and prevention of Smuggling; and the Officers so appointed, beside their ordinary respective designations, shall be styled "Abkaree Officers."

IV. Every person who shall sell, by retail, any Spirituous or Fermented Liquors or intoxicating drugs, hereinafter specified, within the Town of Calcutta, without a license for that purpose under the hand and seal of the Collector of Calcutta, shall be liable to a fine, not exceeding five hundred Rupees, for each sale: but this enactment shall not apply to wholesale dealers selling such small

quantities of Beer, Wines or Spirits, as may appear to the Collector to be intended only as samples.

V. A sale of English or Foreign Beer, Wine or Spirits, in any quantity, not exceeding two gallons, or of Bengal Arrack or Rum or other country spirit in any quantity not exceeding one seer, or of Tauree in any quantity not exceeding four seers, or of Ganjah or Bhang or any preparation or admixture of the same, in any quantity not exceeding one quarter of a seer, or of Churrus, Opium, Chundoo, or Muddut, or any preparation or admixture of the same, in any quantity not exceeding the weight of five tolabs, shall be deemed a retail sale within the meaning of this Act.

VI. The sale of Bengal Arrack or Rum, or other country Spirit, or of Tauree, or of Ganjah, or Bhang, or any preparation or admixture of the same, or of Churrus, Opium, Chundoo, or Muddut, or any preparation or admixture of the same, in quantities larger than those specified for each Article in Section V., of this Act, is prohibited; and every person, who shall act in breach of this prohibition, shall be liable to the fine prescribed in Section XV., for the illicit possession of these Articles: but this prohibition does not apply to the sale of Spirituous or Fermented Liquors and intoxicating drugs, imported into Calcutta under passes from the Collector, or other Officer duly empowered in that behalf, and supplied by wholesale to licensed retail Dealers, or to the sale of Bengal Rum under bond for exportation by Sea, or to the sale of Opium intended for exportation by Sea, and covered by a Certificate to that effect, issued under the authority of the Board of Customs, Salt and Opium.

VII. The Board of Customs, Salt and Opium shall have authority, at all times, to regulate the form of licenses to be granted under this Act, and to alter and add to the conditions thereof.

VIII. Every person taking out a license for the retail sale of Spirituous or Fermented Liquors, or intoxicating drugs under this Act, shall execute a counterpart engagement in exact conformity with the tenor of such license.

IX. Whenever a license shall be granted under this Act, the Collector shall be authorised to demand, in consideration of the privilege granted, such fee, tax or duty as may, from time to time, be fixed, with the sanction of the Board of Customs, Salt and Opium; and such fee, tax or duty, may be made payable in advance, or at such period as may be settled by the Collector.

X. The Collector may withhold or recall a license, if any such fee, tax or duty be not duly paid, according to the conditions upon which the license is granted, or in case of a breach of any of the other conditions thereof; or with the sanction of the Commissioner of Abkaree, for any other cause, giving one month's notice of such withdrawal; and any person selling, by retail, any Spirituous or Fermented Liquors, or intoxicating drugs above specified, within the Town of Calcutta, whilst such license is withheld, or after it is recalled, shall be subject to all the penalties provided by this Act for the unlicensed sale of Spirituous or Fermented Liquors, or intoxicating drugs.

XI. Any licensed retail Dealer may surrender his license, on giving fifteen days' previous notice to the Collector, and paying a sum equal to the tax for that time, over and above the sum payable under the license.

XII. It shall not be lawful for the Justices of the Peace for the Town of Calcutta to grant a license to open or establish or keep open any Hotel, Punch House, Boarding House, or any other House of public entertainment, within the Town of Calcutta, in which any spirituous or Fermented Liquors or intoxicating drugs, above specified, may be sold, to any person who has not taken out a license for the retail sale of such liquors and drugs; and any such license, granted by any Justice of the Peace, shall become void, whenever the license for the retail of such liquors and drugs, granted to such person, is withheld or recalled by the Collector under this Act.

XIII. The Collector, after demand made in writing, may levy any arrear of tax or duty, due on account of any license granted under this Act, by distress and sale of the goods and chattels of the person from whom the same is due; provided that no such arrear shall be recoverable after the end of two years next after the same shall have become due, or next after an acknowledgment of the same in writing shall have been given by the person by whom the same is payable.

XIV. A breach of any of the conditions of a license granted under this Act shall, beside entailing for forfeiture of the license, be punishable by a fine not exceeding fifty Rupees; and such fine shall be recoverable from the licensed Dealer, notwithstanding that such breach may have been owing to the default or carelessness of the servant or other person in charge of the shop.

XV. Any person, not being a licensed Dealer, having in his possession, and any person carrying within the Town of Calcutta, any greater quantity of spirituous or fermented liquors or intoxicating drugs above specified, or any preparation or admixture of the same, except English and Foreign Beer, Wines and Spirits, than the quantity specified for each Article in Section V. of this Act, and not being protected by a pass or permit from the Collector, or other Officer duly empowered in that behalf, shall be liable to a fine not exceeding five hundred Rupees, except in the case of Opium; and in the case of Opium, to a fine not exceeding the rate of sixteen Rupees for each seer found in the possession of, or carried by, such person; and if such last mentioned fine shall not amount to five hundred Rupees, such person shall be liable to a further fine, not exceeding such sum as shall make the total fine imposed amount to five hundred Rupees.

XVI. Beside the penalties above specified for the illicit sale, possession, and carrying of spirituous or fermented liquors or intoxicating drugs, all such liquors and drugs found in the possession of any offender against this Act shall be seized and confiscated; and the vessels, packages and coverings in which such liquors and drugs are found, and the animals and conveyances used in carrying them shall also be liable to seizure and confiscation.

XVII. Any Abkaree Officer above the rank of a peon or chuprassy may enter and inspect at any time, by day or by night, and any Abkaree Officer may enter and inspect by day the house or shop in which any licensed Dealer shall carry on the sale of spirituous or fermented liquors, or intoxicating drugs.

XVIII. Every person holding a license for the sale of spirituous or fermented liquors or intoxicating drugs shall keep such license at the house or shop specified in the license, and shall shew the license on the demand of any Abkaree Officer

who shall desire to see the same; and any licensed Dealer, who shall refuse or be unable to produce his license, on the demand of any Abkaree Officer, shall be liable to a fine not exceeding two hundred Rupees.

XIX. Any Abkaree Officer may stop and detain any person carrying any spirituous or fermented liquors or intoxicating drugs, without a pass, or otherwise liable to confiscation under this Act, and may seize the liquors or drugs, with the vessels, packages and coverings in which the liquors or drugs are found, and the animals and conveyances used in carrying them.

XX. XXII. Whenever any Abkaree Officer, duly authorized under this Act, shall arrest any person, or shall seize any spirituous or fermented liquors or intoxicating drugs, or shall enter any house or shop for the purpose of searching for such illicit Articles, he shall carry the person arrested, with the illicit Articles seized, with all convenient despatch, to the Collector, and shall, within twenty-four hours thereafter, make a full report to the Collector of all the particulars of such arrest, seizure, or search; and the Collector, after such further enquiry as he deems necessary, shall forthwith either release the person arrested, or send him in custody to a Justice of the Peace for the Town of Calcutta.

XXV. Any Abkaree Officer, who shall delay carrying to the Collector any person arrested or any illicit articles seized under this Act, or who shall neglect to report the particulars of an arrest, seizure or search, within twenty-four hours thereafter, shall be liable to a fine, not exceeding two hundred Rupees.

XXVII. Any Officer employed in the Abkaree Department, who shall unlawfully release or connive at the escape of any person arrested under this Act, or connive at the sale of spirituous or fermented liquors, or intoxicating drugs, without license, or by any licensed dealer, contrary to the terms of such license, or act in a manner inconsistent with his duty, for the purpose of enabling any person to do any thing, whereby any of the provisions of this Act may be evaded or broken, or the Abkaree Revenue defrauded, shall be liable to a fine, not exceeding five hundred Rupees.

XXVIII. Any Abkaree Officer, who shall ask or take any gratuity, not authorized by any Law or Order of Government, or of the Board of Customs, Salt and Opium, in consideration of doing, or of omitting to do any act in his official capacity, and any person, who shall offer a bribe to any such Officer, in order to induce such Officer to act in a manner inconsistent with his duty, shall be liable, for every such offence, to a fine, not exceeding five hundred Rupees.

XXIX. XXX. Whenever any goods or chattels shall be seized as aforesaid, and within one Calendar month no person shall appear before the Collector to claim the same, the Justice shall examine

XXXI. All fines leviable under this Act, except under Section XXXVIII., shall be adjudged by any Justice of the Peace for the Town of Calcutta, and the said Justice, upon information exhibited before him by order of the Collector, shall, forthwith summon the parties accused, and upon their appearance or default shall examine into the matter, and upon due proof made thereof, by the voluntary confession of the parties, or by the oath or solemn affirmation, in cases wherein a solemn affirmation is receivable by law instead of an oath, of one or more credible witnesses, shall give judgment accordingly; and, in default of payment of any fine to which an offender is adjudged, he shall be liable, by order of the said Justice, to imprisonment in the Common Jail, for a period not exceeding six months, or until the fine is sooner paid: and no proceedings shall be taken under this Section by any Justice of the Peace after the expiration of three Calendar months from the date of the offence by which the fine was incurred.

XXXII. SIR,—The Right Hon'ble the Governor Gene-
 ral having been pleased as a
 temporary measure to reduce
 the Postage chargeable on Let-
 ters from places beyond the
 limits of the Punjab to the
 Stations enumerated in mar-
 gin.*
 I have the honor to inform
 you, that from the date of the
 receipt of this Circular, the
 single Postage to be levied on
 Letters for any of the above-
 mentioned Stations, will be
 Half Anna in excess of that which would be charg-
 ed if the Letters were addressed to Lahore.

Banghy Postage will be Six Annas for each 50
 Tolas, in excess of the Lahore rate.

An Extract from the Letter of the Secretary to
 Government of India, authorizing this reduction,
 accompanies this Circular.

I have the honor to be, Sir,

Your most obedient servant,

SEAL OF

POST MASTER GENERAL, N. W. P.

Extract from a Letter, No. 1024, dated 21st June 1849, from the Secretary to Government of India, to the Post Master General, N. W. P.

Para. 2. The Governor General is likewise pleased, after well considering your proposal for a diminution of the rate of Postage in the new Territories, to sanction the reduction which you have recommended.

Para. 3. Having regard to the peculiar circumstances under which the correspondence is at present carried on with distant Stations in the Punjab, the Governor General thinks it reasonable, that a reduced rate of Postage should be demanded by the Government.

INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarrah will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

No. 7.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{3}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

ACT No. XIII. OF 1849.

To prevent the Smuggling of Salt into Calcutta.

For preventing the smuggling of Salt into Calcutta, It is enacted as follows :

I. The Governor of Bengal may establish as many Chokies as he shall deem necessary for preventing the smuggling of alimentary Salt into the Town of Calcutta, and upon that part of the River Hooghly which lies within the local jurisdiction of the Supreme Court, and such Chokies shall be under the charge of an Officer to be styled "The Superintendent of Salt Chokies," who, in the exercise of his functions, shall be subject to the control of the Board of Customs, Salt and Opium.

II. The Superintendent may appoint Darogahs, Mohurrers, Jemadars, Burkundauzes, and other Officers to assist him in the discharge of his duties; and the Officers so appointed, beside their ordinary respective designations, shall be styled "Officers of Salt Chokies."

III. Excepting salt imported by sea, and stored under bond, as provided by Act No. XXV. 1836, it shall not be lawful to import alimentary Salt into the Town of Calcutta, or to carry such Salt within the said Town, or upon the River Hooghly, as aforesaid, in excess of the quantity of ten seers of eighty tolahs to the seer, or to store such Salt within the said Town in quantities exceeding one maund, except under a Rowannah, or Special Pass, from the Board of Customs, Salt and Opium, or a Charchittee, or Pass from the said Superintendent, to be granted under such rules, and on the payment of such fees, as the said Board shall direct.

IV. All alimentary Salt, found within the said Town, or upon the River Hooghly, as aforesaid, in contravention of this Act, shall be deemed contraband and liable to seizure and confiscation; and if several persons shall be found carrying Salt, unprotected by a Rowannah, or Charchittee, as aforesaid, in gangs, or companies, which Salt shall exceed in the whole quantity ten seers, such Salt shall be deemed contraband; but no Salt, found in store in any house or warehouse, shall be deemed to be contraband, unless, when the search is made, there shall be found more thereof than one maund, and the owner or person in charge shall be unable to account, satisfactorily, for the manner of its being found in his possession.

V. If any person shall carry, or attempt to carry, within the said Town, or upon the River Hooghly, as aforesaid, under a Rowannah, or Charchittee, a greater quantity of Salt than shall be therein specified, the excess shall be deemed contraband, and if such excess is found to be more than one-fortieth part of the quantity so specified, the whole quantity shall be deemed contraband, and liable to seizure and confiscation; and the gomastah, or other person in charge of the Salt shall be liable to a fine of ten Rupees for every maund of Salt in excess of the quantity specified in the said document: And the excess shall be calculated upon the whole

despatch as provided in Section II., Regulation IV. 1832, of the Bengal Code.

VI. The provisions contained in Sections XXXVI. to XLVII., both inclusive, Regulation X. 1819, and in Regulation IV. 1832, of the Bengal Code, as to the preparation, currency, renewal, production, endorsement, delivering up and falsifying of Rowannahs, or other protective documents, shall be applicable within Calcutta, and on the River Hooghly as aforesaid.

VII. Whenever any Salt shall be seized as contraband, the vessels, packages and coverings, in which such Salt shall be found, and the animals and conveyances used in carrying it, shall also be liable to seizure and confiscation.

VIII. All persons in whose possession Contraband Salt shall be found, except in the case provided for by Section V. of this Act, shall be liable to a fine, calculated at a rate, not exceeding five Rupees for each maund, upon the quantity so found; and each one of a party of smugglers, or of the parties to the fraud on the Revenue, shall be liable to the whole fine.

IX. The Superintendent of Salt Chokies, and any of his Subordinate Officers, and any Officer of any other Department, whom the Governor of Bengal shall authorize in that behalf, may stop and detain any person removing, or carrying any Salt, without a Rowannah or Charchittee, or otherwise liable to confiscation under this Act; and may seize the Salt, with the vessels, packages and coverings, in which the Salt is found, and the animals and conveyances used in carrying it.

X. If the Superintendent has good reason to believe, either from information given by any of his Subordinate Officers or other person, to be taken down in writing, or from his own knowledge, or from the proceedings in any other case, that Contraband Salt, exceeding in quantity one maund, is stored in any place, it shall be lawful for him, between sunrise and sunset, but always in the presence of a Constable, or other Officer of the Peace, to enter into every such place where any such Contraband Salt as aforesaid, is suspected to be stored, and to seize and carry away the same; and, in case of resistance, to break open any door, and to force and remove any other obstacle to such entry, search, seizure or removal as aforesaid; and to arrest and detain the owner or occupant of the premises, with all parties whom he suspects to be concerned in the unlawful storing whom he shall find on the premises: and if the Superintendent shall not be able to proceed in person to make the seizure he may, by warrant under his hand, empower any Officer of Salt Chokies, above the rank of a Jemadar or Peons, to make the same; and the Officer so authorized shall proceed in the same manner, and with the same powers, as above provided in respect of the Superintendent himself. Provided that, where there is ground to suspect that such Contraband Salt as aforesaid is concealed in any zenana, the Superintendent or Officer authorized as aforesaid shall follow, as closely as may be, the rules for the seizure of property so concealed, adopted by the Supreme Court of Judicature at Fort William.

XI. All Constables, and other Ministerial Officers of the Peace, are required to help the Superintendent and his Subordinate Officers, and other Officers authorized to make a seizure of Salt, in the due execution of this Act, upon notice given or request made by the Superintendent, or

any such Officer. Any Officer, who, without lawful excuse, shall refuse or neglect to help as aforesaid, on being required to do so, shall be liable to a fine, not exceeding five hundred Rupees.

XII. Whenever a seizure of Salt in store, in any place, shall be made by the Superintendent, the facts of the seizure shall be recorded in an Official proceeding to be placed on record in his Office; and if the seizure shall be made by a Subordinate Officer, such Officer shall report the circumstances, within twenty-four hours, to the Superintendent.

XIII. Every person, who shall maliciously give false information against any person for importing or transporting, or in respect of there being in any house or shop any Salt, in contravention of this Act, shall be liable to a fine, not exceeding five hundred Rupees, or to imprisonment in the Common Jail for a period not exceeding six months, or both.

XIV. Every person, who shall obstruct or molest the Superintendent, or any Officer of Salt Chokies, or any Officer of another Department duly authorized to make a seizure of Salt, or any person acting in aid of the Superintendent, or any Officer, as aforesaid, in the due execution of this Act, shall be liable to a fine, not exceeding five hundred Rupees: and such person shall be further liable, if an affray or breach of the peace shall happen in consequence of his resistance, on conviction of the same before a competent tribunal, to such punishment as is prescribed by law for cases of affray and breach of the peace, in addition to the penalty above prescribed for resistance of process.

XV. Any Officer of Salt Chokies, or any Officer of another Department, duly empowered to make a seizure of Salt, who, without reasonable cause, shall delay carrying any person arrested, or any illicit articles seized, under this Act, to the Superintendent, or neglect to report the particulars of an arrest, seizure or search, within twenty-four hours thereafter, shall be liable to a fine, not exceeding two hundred Rupees.

XVI. Any Officer of Salt Chokies, or any Officer of another Department, as aforesaid, who shall vexatiously and unnecessarily seize the goods or chattels of any person, on the pretence of seizing or searching for Contraband Salt, or who shall vexatiously or unnecessarily arrest any person, or commit any other excess, not required for the execution of his duty, shall be liable to a fine, not exceeding five hundred Rupees.

XVII. Any Officer employed in the Salt Chokie Department, or any Officer of another Department, as aforesaid, who shall connive at the smuggling of Salt, or unlawfully release or connive at the escape of any person arrested under this Act, or act in a manner inconsistent with his duty, for the purpose of enabling any person to do any thing, whereby any of the provisions of this Act may be evaded or broken, or the revenue derived from Salt defrauded, shall be liable to a fine, not exceeding five hundred Rupees.

XVIII. Any Officer employed in the Department of Salt Chokies, or any Officer of another Department, as aforesaid, who shall ask or take any gratuity, not authorized by any law, or order of Government, or of the Board of Customs, Salt and Opium, in consideration of doing or omitting to do any act in his official capacity, and any person, who shall offer a bribe to any such Officer, in order to induce such Officer to act in a manner inconsistent with his duty, shall be liable, for every

such offence, to a fine, not exceeding five hundred Rupees.

XIX. Whenever the Superintendent shall arrest any person, or shall seize any Contraband Salt, he shall, with all convenient despatch, carry the person arrested, with the Salt, and any other chattels liable to confiscation, seized therewith, before any Justice of the Peace for the Town of Calcutta, and if the arrest or seizure shall be made by any of his Subordinate Officers, or other Officer duly empowered, such Officer shall immediately carry the person arrested, and the articles seized, to the Superintendent, who shall thereupon proceed as if the arrest or seizure had been made by himself. Provided, that nothing in this section shall be construed to prevent the Superintendent from releasing any persons arrested, or property seized when he considers such persons or property to have been improperly arrested or seized.

XX. Whenever any Salt, or other chattels shall be seized by the Superintendent, or other duly authorized Officer, as liable to confiscation under this Act, such seizure shall, upon information exhibited by the Superintendent, be heard and determined in a summary way by such Justice of the Peace as aforesaid; and such Justice shall cause the persons, to whom such Salt, or other chattels belong, to be summoned to appear before him, and, upon their appearance or default, shall examine into the cause of the seizure thereof, and give judgment; and upon confiscation thereof shall issue his Warrant to the Superintendent for the disposal thereof, according to the orders of the Board of Customs, Salt and Opium.

XXI. Whenever any Salt, or other chattels shall be seized, as aforesaid, and no person shall appear before the Superintendent, within one calendar month, to claim the same, the Justice shall examine into the cause of the seizure, at a place and time of which notice shall have been given by the Superintendent in the *Calcutta Gazette*, and give judgment for the confiscation of such Salt and other chattels, as, upon such examination, shall appear to him confiscable; and, upon confiscation thereof shall issue his warrant for the disposal of them, as if the owner had been summoned to attend the said Justice.

XXII. All fines, leviable under this Act, shall be adjudged by any Justice of the Peace for the Town of Calcutta, and the said Justice, upon information exhibited before him by the Superintendent, shall, with all convenient despatch, and not later than three calendar months after the act for which the fine may be demandable, summon the parties accused, and, upon their appearance or default, shall examine into the matter, and upon due proof made thereof, by the voluntary confession of the parties, or by the oath or solemn affirmation, in cases wherein a solemn affirmation is receivable by law instead of an oath, of one or more credible witnesses, shall give judgment accordingly; and, in default of payment of any fine to which an offender is adjudged, he shall be liable, by order of the said Justice, to imprisonment in the Common Jail of Calcutta for a period not exceeding six months, or until the fine is sooner paid.

XXIII. Whenever any person shall be convicted before any Justice, of an offence against this Act, after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment in the Common Jail, for a period not exceeding six months; and a like punishment of imprisonment, not exceeding six

months, shall be incurred, in addition to the punishment, which may be inflicted for a first offence, upon every subsequent conviction after the second.

XXIV. One-half of all fines levied from persons convicted of the illicit importation, transportation or storing of Salt, and of the proceeds from sale of articles confiscated, shall, upon adjudication of the case, be awarded to the Officer, or Officers subordinate to the Superintendent, or other duly authorized Officer of another Department, who apprehended the offender or seized the illicit articles; and the other half of all such fines and proceeds shall be given to the Informer; and if no fine is realized, the Board of Customs, Salt and Opium may grant such reasonable reward, not exceeding the sum of two hundred Rupees, as may appear to them fit; and such Officers and Informers shall further be entitled to the rewards specified in Section IV., Act No. IX. 1835. Provided, that the Board of Customs, Salt and Opium may direct, by General Order, what classes of Officers of Salt Chokies shall receive rewards, and what classes shall have no title to share in them.

XXV. All fines, levied under this Act, the disposal of which is not specially provided for, shall belong to Government; but the Board of Customs, Salt and Opium may grant any portion thereof, not exceeding one-half, as rewards to Informers, or as compensation to parties injured by any proceedings under this Act.

XXVI. No Writ of *Certiorari* shall be issued at the suit of any party, out of the Supreme Court of Judicature, to supersede, stay, remove or in anywise affect any information, or judicial proceeding before any Justice of the Peace, in pursuance of this Act; and no judgment thereupon shall be quashed, except for error of law apparent on the face of the judgment.

XXVII. When any penalty or confiscation shall be adjudged by a Justice of the Peace under this Act, the Board of Customs, Salt and Opium, within one month after judgment given, may call for the proceedings of the case, (with which requisition the Justice of the Peace shall be bound to comply) and, if they shall see cause, may direct that the seizure, or any part thereof be restored, and remit, or mitigate the penalty and discharge the party.

XXVIII. All actions and prosecutions to be commenced against the Superintendent, or any Officer of Salt Chokies, or any Officer of another Department duly empowered to seize Contraband Salt, or any person acting in aid of the Superintendent, or other Officer, as aforesaid, for any thing done in pursuance of this Act, shall be commenced within three calendar months after the fact committed, and not afterwards; and notice in writing of such action, and of the cause thereof, shall be given to the Defendant, one calendar month at least before the commencement of the action; and no Plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action brought, or if after action brought a sufficient sum of money shall have been paid into Court, with costs, by or on behalf of the Defendant.

XXIX. The term alimentary Salt as used in this Act shall be held to include and apply to Noonchye, Puckwah, and every other kind of salt substance, used as a seasoning for food.

Ordered, that the Act be promulgated for general information.

ACT No. XIV. OF 1849.

To punish tampering with the Army or Navy.

Whereas the laws in force for punishing mutiny and sedition do not sufficiently provide for the punishment of all persons endeavouring to stir up mutiny and sedition among the Forces of the East India Company, or to seduce them from their allegiance and duty, It is enacted as follows :

I. Every person, who maliciously and advisedly endeavours to seduce any person or persons, serving or engaged to serve in the Military or Naval Forces of the East India Company, from his or their allegiance to Her Majesty, or duty to the said Company, or who endeavours to stir up any person or persons belonging to either of the said Services, to commit any act of mutiny, or to make or endeavour to make any mutinous assembly, or to commit any traitorous or mutinous practice whatsoever, shall, on conviction, suffer transportation for life, or imprisonment with or without hard labour for any term, not longer than seven years, as the Court shall adjudge.

II. Any person charged with any offence, punishable under this Act, may be committed by any Magistrate within the territories under the Government of the East India Company, and shall be tried by the Court of Sessions, or if the offender be not within the ordinary jurisdiction of the Court of Sessions, by the Supreme Court of Judicature established by Royal Charter within the Presidency in which he is in custody.

III. No Court shall on the trial of any offence under this Act require any Futwa from any Law Officer.

IV. This Act shall not exempt any person governed by the Articles of War from being tried by a Court Martial, and punished according to the Articles of War, nor any person belonging to the Indian Navy from being tried by a Court Martial, and punished according to the laws for the observance of discipline in the Indian Navy ; but no person shall be tried for the same offence under the said Articles or Laws, and also under this Act.

INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considered higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

The 25th August, 1849.*

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 25th of August 1849, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XIV. of 1849.

To punish tampering with the Army or Navy.

Whereas the laws in force for punishing mutiny and sedition do not sufficiently provide for the punishment of all persons endeavouring to stir up mutiny and sedition among the Forces of the East India Company, or to seduce them from their allegiance and duty, It is enacted as follows:

I. Every person, who maliciously and advisedly endeavours to seduce any person or persons, serving or engaged to serve in the Military or Naval Forces of the East India Company, from his or their allegiance to Her Majesty, or duty to the said Company, or who endeavours to stir up any person or persons belonging to either of the said Services, to commit any act of mutiny, or to make or endeavour to make any mutinous assembly, or to commit any traitorous or mutinous practice whatsoever, shall, on conviction, suffer transportation for life, or imprisonment with or without hard labour for any term, not longer than seven years, as the Court shall adjudge.

II. Any person charged with any offence, punishable under this Act, may be committed by any Magistrate within the territories under the Government of the East India Company, and shall be tried by the Court of Sessions, or if the offender be not within the ordinary jurisdiction of the Court of Sessions, by the Supreme Court of Judicature established by Royal Charter within the Presidency in which he is in custody.

III. No Court shall on the trial of any offence under this Act require any Futwa from any Law Officer.

IV. This Act shall not exempt any person governed by the Articles of War from being tried by a Court Martial, and punished according to the Articles of War, nor any person belonging to the Indian Navy from being tried by a Court Martial, and punished according to the laws for the observance of discipline in the Indian Navy; but no person shall be tried for the same offence under the said Articles or Laws, and also under this Act.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

TO THE POST MASTER.

SIR,—The Right Hon'ble the Governor General having been pleased as a temporary measure to reduce the Postage chargeable on Letters from places beyond the limits of the Punjab to the Stations enumerated in margin.*
 I have the honor to inform you, that from the date of the receipt of this Circular, the single Postage to be levied on Letters for any of the above-mentioned Stations, will be Half Anna in excess of that which would be charged if the Letters were addressed to Lahore.

Banghy Postage will be Six Annas for each 50 Tolas, in excess of the Lahore rate.

An Extract from the Letter of the Secretary to Government of India, authorizing this reduction, accompanies this Circular.

I have the honor to be, Sir,

Your most obedient servant,

SEAL OF
 POST MASTER GENERAL, N. W. P.

Extract from a Letter, No. 1024, dated 21st June 1849, from the Secretary to Government of India, to the Post Master General, N. W. P.

Para. 2. The Governor General is likewise pleased, after well considering your proposal for a diminution of the rate of Postage in the new Territories, to sanction the reduction which you have recommended.

Para. 3. Having regard to the peculiar circumstances under which the correspondence is at present carried on with distant Stations in the Punjab, the Governor General thinks it reasonable, that a reduced rate of Postage should be demanded by the Government.

Steam Department, the 30th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarrah will be measured without reference to

the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15

To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

To Arracan, ... Rs. 20

To Moulmein, ... „ 40

A quarter deck Passenger will be allowed a bed rolled up, a portmanteau or trunk of 5 cubic feet and a chillunichee.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be

the same as published in the *Calcutta Gazette* under date the 1st April 1842.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 25th of August 1849, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XIV. OF 1849.

To punish tampering with the Army or Navy.

Whereas the laws in force for punishing mutiny and sedition do not sufficiently provide for the punishment of all persons endeavouring to stir up mutiny and sedition among the Forces of the East India Company, or to seduce them from their allegiance and duty, It is enacted as follows :

I. Every person, who maliciously and advisedly endeavours to seduce any person or persons, serving or engaged to serve in the Military or Naval Forces of the East India Company, from his or their allegiance to Her Majesty, or duty to the said Company, or who endeavours to stir up any person or persons belonging to either of the said Services, to commit any act of mutiny, or to make or endeavour to make any mutinous assembly, or to commit any traitorous or mutinous practice whatsoever, shall, on conviction, suffer transportation for life, or imprisonment with or without hard labour for any term, not longer than seven years, as the Court shall adjudge.

II. Any person charged with any offence, punishable under this Act, may be committed by any Magistrate within the territories under the Government of the East India Company, and shall be tried by the Court of Sessions, or if the offender be not within the ordinary jurisdiction of the Court of Sessions, by the Supreme Court of Judicature established by Royal Charter within the Presidency in which he is in custody.

III. No Court shall on the trial of any offence under this Act require any Futwa from any Law Officer.

IV. This Act shall not exempt any person governed by the Articles of War from being tried by a Court Martial, and punished according to the Articles of War, nor any person belonging to the Indian Navy from being tried by a Court Martial, and punished according to the laws for the observance of discipline in the Indian Navy; but no person shall be tried for the same offence under the said Articles or Laws, and also under this Act.

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative Branch of the Home Department, under date the 1st September 1849, is published for general information.

Read a 2nd time the Draft of a proposed Act, dated the 24th October 1846, and published in the Calcutta Gazette, of the 4th November 1846, concerning the binding of Apprentices.

Resolution. — The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information:

ACT No. — OF 1849.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn Trades, Crafts and Employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit Trade, Craft or employment, for such term as is set forth in the Contract of Apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the Contract shall be conclusive evidence of the age of the child, in all questions which arise as to the right of the Master to the continuance of the Service.

III. An orphan or poor child, brought up by any public charity, may be bound Apprentice by the Governors, Directors or Managers thereof, as his or her Guardians for this purpose.

IV. Any such boy may be bound as an Apprentice in the Sea Service to any of Her Majesty's subjects, being the Owner or Owners of any registered Ship belonging to and trading from any Port in the Territories under the Government of the East India Company, which has been declared to be a Registering Port under Act X. 1841, to be employed in any such Ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a Seaman.

V. Any such boy may be bound in like manner for Sea Service in any Ship of the East India Company belonging to any such Port, commanded by a British subject, in which case the Contract shall be made with the Master Attendant at such Port, or any Officer appointed to represent the East India Company in this behalf, who shall appoint the Ship in which such Apprentice is to serve from time to time.

VI. The Master or Commander of any Ship in which an Apprentice bound to the Sea Service shall be appointed to serve by the party to whom he is bound, shall be deemed the Agent of such party for the purpose of this Act.

VII. Every Contract of Apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the Apprentice, the term for which he is bound, and what he is to be taught.

VIII. Every such Contract shall be signed by the person to whom the Apprentice is bound, and by the person by whom he is bound, and by the Apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the Apprentice is bound by the Governors, Directors or Managers of a Public Charity, the

signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the Apprentice.

IX. No such Contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the Office of the Chief Magistrate of the Place or District where it has been executed, or if the Apprentice is bound to the Sea Service, in the office of the person appointed under Act X. 1841, to make Registry of Ships at the Port where the Apprentice is to begin his Service; and the person in whose office any such Contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or registering Officer.

X. The terms of Service may be changed at any time during the Apprenticeship, or the contract may be determined, with the consent of both parties to the Contract or their personal representatives, and with the consent of the Apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the Contract shall be expressed in writing on the original Contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XI. The Master of any Apprentice bound under this Act may, with the consent of the persons by whom he was bound, and with the consent of the Apprentice, if he is above the age of fourteen years, assign such Apprentice to any other person, who is willing to take him for the residue of his Apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the Contract, declare his acceptance of such Apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the Master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XII. Upon complaint made to any Magistrate in the said Territories, by or on behalf of any Apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the Contract of Apprenticeship, or of cruelty, or other ill-treatment by his Master, or by the Agent under whom he shall have been placed by his Master, the Magistrate may summon the Master or his Agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the Master or his Agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of Apprenticeship, and assess upon the offender, whether he shall be the Master or his Agent, a reasonable sum for behoof of the Apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was

paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his Goods and Chattels, and if the offender shall not be the Master but his Agent, by distress and sale of the Goods and Chattels of the Master also.

XIII. No Contract of Apprenticeship shall be cancelled, nor shall any Master or his Agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any Apprentice by his Master or the Agent of his Master, as may lawfully be given by a father to his child; and the provision for enabling the contract of Apprenticeship to be cancelled shall not bar any criminal proceeding against any Master or his Agent for an assault or other offence committed against his Apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the Contract of Apprenticeship.

XIV. Upon complaint made to any Magistrate, by or on behalf of the Master of any Apprentice bound to him under this Act, of any ill behaviour of such Apprentice, or if such Apprentice shall have absconded, the Magistrate may issue his Warrant for apprehending such Apprentice, and may hear and determine the complaint, and punish the offender by committing him to a house of correction or to prison, there to be held to hard labour for a reasonable time not exceeding three months; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, instead of committing such offender to a house of correction or to prison, to be held to hard labor as aforesaid, may pass an order for his being kept in solitary confinement in any suitable place in or out of prison, for a period not exceeding three weeks, with or without whipping; or, if the Magistrate deem any such punishment unfit, he may pass an order to the Master of the Apprentice or his Agent to keep the offender in close confinement in his own house, or on board the Vessel to which he belongs, upon bread and water, for a period not exceeding one month.

XV. Upon complaint of wilful and repeated ill behaviour on the part of the Apprentice, and on the demand of the Master, the Magistrate may order the Contract of Apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the Apprentice if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the Master on binding such Apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the Apprentice.

XVI. The Magistrate may order any sum recovered for behoof of the Apprentice on cancelling the Contract to be either laid out in binding him to another Master, or otherwise for his benefit, or to be paid to the person or persons by whom any premium was paid when he was bound Apprentice.

XVII. No Magistrate shall entertain a complaint on the part of a Master against an Apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board Ship during a voyage, within one month after the arrival thereof at a port or place in the said Territories: and no Magistrate shall entertain a complaint on the part of an Apprentice against his

Master or the Agent of his Master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board Ship during a voyage within three months after the arrival thereof at a port or place in the said Territories.

XVIII. If the Master of any Apprentice shall die before the end of the Apprenticeship, the Contract of Apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such Master on the binding of the Apprentice to him, shall be returned by the Executors or Administrators out of the Estate of the deceased to the person or persons who shall have paid the same; unless the Executors or Administrators of the deceased Master shall continue the business in which such Apprentice shall have been employed, and shall, within three months from the death of the late Master, make offer in writing to keep the Apprentice on the terms of the original Contract; in which case the Estate of the deceased shall be discharged from all liabilities on account of such premium.

XIX. If such offer to keep the Apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the Executors and Administrators on the original Contract of Apprenticeship; and also on the Office Copies thereof, by the Magistrate or Registering Officer; and the Apprentice shall be bound to the Executors or Administrators so keeping him for the remaining term of his Apprenticeship.

XX. Any Apprentice bound under this Act, whose Master shall die during the Apprenticeship, shall be entitled to maintenance for three months from and after the death of his Master, out of the Assets left by him; provided that during such three months such Apprentice shall continue to live with, and serve as an Apprentice, the Executors or Administrators of such Master, or such person as they shall appoint.

XXI. The Apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an Act of Insolvency, during the Apprenticeship, shall be discharged from all obligation under the Contract of Apprenticeship; and, if any premium was paid on binding him as an Apprentice, he or the person or persons by whom he was bound shall be entitled to claim the amount thereof, as a debt against the Estate of the Bankrupt or Insolvent.

XXII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the Territories under the Government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIII. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate, provided the appeal is made within one month from the date of the order.

XXIV. In this Act the words "Master," "person" and "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

CIRCULAR, No. 140.

Agra, the 5th July, 1849.

TO THE POST MASTER.

SIR,—The Right Hon'ble the Governor General having been pleased as a temporary measure to reduce the Postage chargeable on Letters from places beyond the limits of the Punjab to the Stations enumerated in margin.*

I have the honor, to inform you, that from the date of the receipt of this Circular, the single Postage to be levied on Letters for any of the above-mentioned Stations, will be Half Anna in excess of that which would be charged if the Letters were addressed to Lahore.

Banghy Postage will be Six Annas for each 50 Tolas, in excess of the Lahore rate.

An Extract from the Letter of the Secretary to Government of India, authorizing this reduction, accompanies this Circular.

I have the honor to be, Sir,

Your most obedient servant,

SEAL OF

Extract from a Letter, No. 1024, dated 21st June 1849, from the Secretary to Government of India, to the Post Master General, N. W. P.

Para. 2. The Governor General is likewise pleased, after well considering your proposal for a diminution of the rate of Postage in the new Territories, to sanction the reduction which you have recommended.

Para. 3. Having regard to the peculiar circumstances under which the correspondence is at present carried on with distant Stations in the Punjab, the Governor General thinks it reasonable, that a reduced rate of Postage should be demanded by the Government.

PASSAGE AND FREIGHT TO ARRACAN AND MOULMEIN.

The Hon'ble Company's Steam Vessel "Tennasserim" will be despatched to Moulmein at 6 A. M., of the 10th proximo, touching at both Ports, in Arracan going, and returning.

Applications for Freight with full particulars of the nature of the Goods, dimensions and weights of Packages and their destination, must be lodged in the Government Steam Boat Office, on the 5th proximo, between 10 o'clock, and noon, after which none will be received nor attended to.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 30th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamers to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Peturrah will be measured without reference to

the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.
Calcutta and Moulmein,... „ 40 ditto.
Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15
To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

To Arracan, ... Rs. 20
To Moulmein, ... „ 40

A quarter deck Passenger will be allowed a bed rolled up, a portmanteau or trunk of 5 cubic feet and a chillumchee.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

Contr. of Govt. Steam Vessels.

No. 3320.

MARINE COURT.

At a Court assembled on Friday, the Tenth day of August, One Thousand Eight Hundred and Forty-nine, under Act No. XXIV. of 1845, Mr. Branch Pilot George Moxon was tried on the following Charge:

For conduct unbecoming an Officer of the Pilot Service, and involving a breach of confidence in the following instances:

First Instance.—In that on or about the Fifteenth day of October, One Thousand Eight Hundred and Forty-five, when about to deliver over Pilotage charge of the ship *Arragon*, Captain George Coffin, at or near the Sand Heads, he the said Mr. George Moxon took from the hands of

Mr. Volunteer Pilot William Hamilton Cox, the leadsmen of the said ship, a letter addressed by Mr. Porter Supercargo or Clerk of the *Arragon*, to the Master Attendant of Calcutta, which letter he the said Mr. George Moxon, in breach of confidence, did not deliver.

Second Instance.—In having in a letter to the Master Attendant dated the fifth day of July One Thousand Eight Hundred and Forty-nine, falsely stated that he, Mr. Moxon, had on the occasion referred to, in the first instance of the Charge, received only one letter (which was addressed to a Mr. Dexter) whereas two letters (one of them being the letter mentioned in the first instance of the Charge as not delivered) were then taken from the hands of Mr. William Hamilton Cox, by Mr. George Moxon; the conduct above described, being unworthy of a Servant of Government, and reflecting disgrace on the Service to which he, Mr. Branch Pilot George Moxon, belongs.

By order of the Superintendent of Marine,
(Sd.) JAMES SUTHERLAND, Secy.
Fort William, the 2nd of August 1849.

FINDING.

The Court having maturely weighed and considered the Evidence brought forward in support of the prosecution, together with that adduced on the Defence, is of opinion that the Defendant, Mr. Branch Pilot George Moxon, is :—

Guilty of the first instance of the Charge.
Guilty of the second instance of the Charge.

SENTENCE.

The Court having found the Defendant Guilty, as above specified, do adjudge him, the said Mr. Branch Pilot George Moxon, to be dismissed the Service.

(Sd.) H. PIDDINGTON,
President,
(Sd.) H. HOWE,
Judge Advocate.

Fort William, 16th August 1849.

RECOMMENDATION OF THE COURT.

The Court having performed the painful duty imposed upon it, is unanimously desirous, with all due respect, to recommend Mr. Moxon to the humane consideration of Government, for some mitigation of the severe penalty which it has felt itself bound to award on the ground that it has not thought itself authorized under its heavy responsibility as regards the great public, private and commercial interests, which his offence compromises to award any other than the highest punishment.

(Signed,) H. PIDDINGTON,
President.

The proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case as follows :

Para. 2. “Mr. Moxon was tried for not having delivered to the Master Attendant, as addressed, a letter which he received when leaving a ship that he had piloted to the Sandheads, about the fifteenth day of October, One Thousand Eight Hundred and Forty-five, and for having, in July last, falsely reported that on the occasion above referred to, he had not received the letter in question. The Court have found Mr. Moxon guilty of both charges, and they have sentenced

him to be dismissed the Service. But to their Sentence they have added an unanimous recommendation of Mr. Moxon to the humane consideration of Government.

Para. 3. It appears that the letter consisted of a complaint against the Pilot, that the contents of it were known to Mr. Moxon, that Mr. Moxon was entrusted at the same time with another letter by the same writer, addressed to the ship's Agent which there is no reason to suppose he did not deliver; but that no complaint of the suppression of the letter to the Master Attendant was ever lodged in the proper quarter by the writer, or by any person connected with the ship, although both the writer of the letter and the Captain of the ship have since visited the Port.

Para. 4. “The Deputy Governor agrees with the Court in regarding Mr. Moxon's offence in the most serious light. But taking into consideration all the circumstances of this case, especially the length of time that has elapsed since the occurrence out of which the charge arises, His Honor will give effect to the recommendation of the Court, by commuting the sentence into one of loss of rank. His Honor directs that Mr. Moxon be placed at the bottom of the list of Branch Pilots.”

In conformity with the above decision, the Master Attendant has been desired to place Mr. Branch Pilot George Moxon's name at the bottom of the List of Branch Pilots, release him from arrest, and allow him to return to his duty.

By Order of the Supdt. of Marine.

the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Courts may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Resolution.—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information:

ACT No. — OF 1849.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn Trades, Crafts and Employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit Trade, Craft or employment, for such term as is set forth in the Contract of Apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the Contract shall be conclusive evidence of the age of the child, in all questions which arise as to the right of the Master to the continuance of the Service.

III. An orphan or poor child, brought up by any public charity, may be bound Apprentice by the Governors, Directors or Managers thereof, as his or her Guardians for this purpose.

IV. Any such boy may be bound as an Apprentice in the Sea Service to any of Her Majesty's subjects, being the Owner or Owners of any registered Ship belonging to and trading from any Port in the Territories under the Government of the East India Company, which has been declared to be a Registering Port under Act X. 1841, to be employed in any such Ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a Seaman.

V. Any such boy may be bound in like manner for Sea Service in any Ship of the East India Company belonging to any such Port, commanded by a British subject, in which case the Contract shall be made with the Master Attendant at such Port, or any Officer appointed to represent the East India Company in this behalf, who shall appoint the Ship in which such Apprentice is to serve from time to time.

VI. The Master or Commander of any Ship in which an Apprentice bound to the Sea Service shall be appointed to serve by the party to whom he is bound, shall be deemed the Agent of such party for the purpose of this Act.

VII. Every Contract of Apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the Apprentice, the term for which he is bound, and what he is to be taught.

VIII. Every such Contract shall be signed by the person to whom the Apprentice is bound, and by the person by whom he is bound, and by the Apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the Apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the Apprentice.

IX. No such Contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the Office of the Chief Magistrate of the Place or District where it has been executed, or if the Apprentice is bound to the Sea Service, in the office of the person appointed under Act X. 1841, to make Registry of Ships at the Port where the Apprentice is to begin his Service; and the person in whose office any such Contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or registering Officer.

X. The terms of Service may be changed at any time during the Apprenticeship, or the contract may be determined, with the consent of both parties to the Contract or their personal representatives, and with the consent of the Apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the Contract shall be expressed in writing on the original Contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XI. The Master of any Apprentice bound under this Act may, with the consent of the persons by whom he was bound, and with the consent of the Apprentice, if he is above the age of fourteen years, assign such Apprentice to any other person, who is willing to take him for the residue of his Apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the Contract, declare his acceptance of such Apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the Master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XII. Upon complaint made to any Magistrate in the said Territories, by or on behalf of any Apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the Contract of Apprenticeship, or of cruelty, or other ill-treatment by his Master, or by the Agent under whom he shall have been placed by his Master, the Magistrate may summon the Master or his Agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the Master or his Agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the

contract of Apprenticeship, and assess upon the offender, whether he shall be the Master or his Agent, a reasonable sum for behoof of the Apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his Goods and Chattels, and if the offender shall not be the Master but his Agent, by distress and sale of the Goods and Chattels of the Master also.

XIII. No Contract of Apprenticeship shall be cancelled, nor shall any Master or his Agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any Apprentice by his Master or the Agent of his Master, as may lawfully be given by a father to his child; and the provision for enabling the contract of Apprenticeship to be cancelled shall not bar any criminal proceeding against any Master or his Agent for an assault or other offence committed against his Apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the Contract of Apprenticeship.

XIV. Upon complaint made to any Magistrate, by or on behalf of the Master of any Apprentice bound to him under this Act, of any ill behaviour of such Apprentice, or if such Apprentice shall have absconded, the Magistrate may issue his Warrant for apprehending such Apprentice, and may hear and determine the complaint, and punish the offender by committing him to a house of correction or to prison, there to be held to hard labour for a reasonable time not exceeding three months; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped; or, instead of committing such offender to a house of correction or to prison, to be held to hard labor as aforesaid, may pass an order for his being kept in solitary confinement in any suitable place in or out of prison, for a period not exceeding three weeks, with or without whipping; or, if the Magistrate deem any such punishment unfit, he may pass an order to the Master of the Apprentice or his Agent to keep the offender in close confinement in his own house, or on board the Vessel to which he belongs, upon bread and water, for a period not exceeding one month.

XV. Upon complaint of wilful and repeated ill behaviour on the part of the Apprentice, and on the demand of the Master, the Magistrate may order the Contract of Apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the Apprentice if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the Master on binding such Apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the Apprentice.

XVI. The Magistrate may order any sum recovered for behoof of the Apprentice on cancelling the Contract to be either laid out in binding him to another Master, or otherwise for his benefit, or to be paid to the person or persons by whom any premium was paid when he was bound Apprentice.

XVII. No Magistrate shall entertain a complaint on the part of a Master against an Apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or,

if the cause of complaint arose on board Ship during a voyage, within one month after the arrival thereof at a port or place in the said Territories: and no Magistrate shall entertain a complaint on the part of an Apprentice against his Master or the Agent of his Master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board Ship during a voyage within three months after the arrival thereof at a port or place in the said Territories.

XVIII. If the Master of any Apprentice shall die before the end of the Apprenticeship, the Contract of Apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such Master on the binding of the Apprentice to him, shall be returned by the Executors or Administrators out of the Estate of the deceased to the person or persons who shall have paid the same; unless the Executors or Administrators of the deceased Master shall continue the business in which such Apprentice shall have been employed, and shall, within three months from the death of the late Master, make offer in writing to keep the Apprentice on the terms of the original Contract; in which case the Estate of the deceased shall be discharged from all liabilities on account of such premium.

XIX. If such offer to keep the Apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the Executors and Administrators on the original Contract of Apprenticeship; and also on the Office Copies thereof, by the Magistrate or Registering Officer; and the Apprentice shall be bound to the Executors or Administrators so keeping him for the remaining term of his Apprenticeship.

XX. Any Apprentice bound under this Act, whose Master shall die during the Apprenticeship, shall be entitled to maintenance for three months from and after the death of his Master, out of the Assets left by him; provided that during such three months such Apprentice shall continue to live with, and serve as an Apprentice, the Executors or Administrators of such Master, or such person as they shall appoint.

XXI. The Apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an Act of Insolvency, during the Apprenticeship, shall be discharged from all obligation under the Contract of Apprenticeship; and, if any premium was paid on binding him as an Apprentice, he or the person or persons by whom he was bound shall be entitled to claim the amount thereof, as a debt against the Estate of the Bankrupt or Insolvent.

XXII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the Territories under the Government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIII. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate, provided the appeal is made within one month from the date of the order.

XXIV. In this Act the words "Master," "person" and "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

**CHARGE OF FREIGHT ON ALL PACKAGES
BY THE GOVERNMENT STEAMERS TO
ARRACAN AND MOULMEIN.**

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15

To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

*Fort William, Home Department, Legislative,
the 1st September, 1849.*

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative Branch of the Home Department, under date the 1st September 1849, is published for general information.

Read a 2nd time the Draft of a proposed Act, dated the 24th October 1846, and published in the Calcutta Gazette, of the 4th November 1846, concerning the binding of Apprentices.

Resolution.—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information:

ACT No. — OF 1849.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn Trades, Crafts and Employments,

by which, when they come to full age, they may gain a livelihood, It is enacted as follows :

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit Trade, Craft or employment, for such term as is set forth in the Contract of Apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the Contract shall be conclusive evidence of the age of the child, in all questions which arise as to the right of the Master to the continuance of the Service.

III. An orphan or poor child, brought up by any public charity, may be bound Apprentice by the Governors, Directors or Managers thereof, as his or her Guardians for this purpose.

IV. Any such boy may be bound as an Apprentice in the Sea Service to any of Her Majesty's subjects, being the Owner or Owners of any registered Ship belonging to and trading from any Port in the Territories under the Government of the East India Company, which has been declared to be a Registering Port under Act X. 1841, to be employed in any such Ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a Seaman.

V. Any such boy may be bound in like manner for Sea Service in any Ship of the East India Company belonging to any such Port, commanded by a British subject, in which case the Contract shall be made with the Master Attendant at such Port, or any Officer appointed to represent the East India Company in this behalf, who shall appoint the Ship in which such Apprentice is to serve from time to time.

VI. The Master or Commander of any Ship in which an Apprentice bound to the Sea Service shall be appointed to serve by the party to whom he is bound, shall be deemed the Agent of such party for the purpose of this Act.

VII. Every Contract of Apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the Apprentice, the term for which he is bound, and what he is to be taught.

VIII. Every such Contract shall be signed by the person to whom the Apprentice is bound, and by the person by whom he is bound, and by the Apprentice, when he is of the age of fourteen years or more at the time of binding ; but, when the Apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the Apprentice.

IX. No such Contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the Office of the Chief Magistrate of the Place or District where it has been executed, or if the Apprentice is bound to the Sea Service, in the office of the person appointed under Act X. 1841, to make Registry of Ships at the Port where the Apprentice is to begin his Service ; and the person in whose office any such Contract is deposited shall give to each of the

parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or registering Officer.

X. The terms of Service may be changed at any time during the Apprenticeship, or the contract may be determined, with the consent of both parties to the Contract or their personal representatives, and with the consent of the Apprentice, if he is above the age of fourteen years ; provided, that the changes agreed to or the termination of the Contract shall be expressed in writing on the original Contract, with the signature of the proper parties according to Section VIII. of this Act ; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XI. The Master of any Apprentice bound under this Act may, with the consent of the persons by whom he was bound, and with the consent of the Apprentice, if he is above the age of fourteen years, assign such Apprentice to any other person, who is willing to take him for the residue of his Apprenticeship, and subject to the conditions thereof ; provided that such person shall, by endorsement under his own hand on the Contract, declare his acceptance of such Apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the Master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively : And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XII. Upon complaint made to any Magistrate in the said Territories, by or on behalf of any Apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the Contract of Apprenticeship, or of cruelty, or other ill-treatment by his Master, or by the Agent under whom he shall have been placed by his Master, the Magistrate may summon the Master or his Agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint ; and at such time, whether the Master or his Agent be present or not. (service of the summons being proved), may examine into the matter of the complaint ; and, upon proof thereof, may cancel the contract of Apprenticeship, and assess upon the offender, whether he shall be the Master or his Agent, a reasonable sum for behoof of the Apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees ; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his Goods and Chattels, and if the offender shall not be the Master but his Agent, by distress and sale of the Goods and Chattels of the Master also.

XIII. No Contract of Apprenticeship shall be cancelled, nor shall any Master or his Agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any Apprentice by his Master or the Agent of his Master, as may lawfully be given by a father to his child ; and the provision for enabling

the contract of Apprenticeship to be cancelled shall not bar any criminal proceeding against any Master or his Agent for an assault or other offence committed against his Apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the Contract of Apprenticeship.

XIV. Upon complaint made to any Magistrate, by or on behalf of the Master of any Apprentice bound to him under this Act, of any ill behaviour of such Apprentice, or if such Apprentice shall have absconded, the Magistrate may issue his Warrant for apprehending such Apprentice, and may hear and determine the complaint, and punish the offender by committing him to a house of correction or to prison, there to be held to hard labour for a reasonable time not exceeding three months; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, instead of committing such offender to a house of correction or to prison, to be held to hard labor as aforesaid, may pass an order for his being kept in solitary confinement in any suitable place in or out of prison, for a period not exceeding three weeks, with or without whipping; or, if the Magistrate deem any such punishment unfit, he may pass an order to the Master of the Apprentice or his Agent to keep the offender in close confinement in his own house, or on board the Vessel to which he belongs, upon bread and water, for a period not exceeding one month.

XV. Upon complaint of wilful and repeated ill behaviour on the part of the Apprentice, and on the demand of the Master, the Magistrate may order the Contract of Apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the Apprentice if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the Master on binding such Apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the Apprentice.

XVI. The Magistrate may order any sum recovered for behoof of the Apprentice on cancelling the Contract to be either laid out in binding him to another Master, or otherwise for his benefit, or to be paid to the person or persons by whom any premium was paid when he was bound Apprentice.

XVII. No Magistrate shall entertain a complaint on the part of a Master against an Apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board Ship during a voyage, within one month after the arrival thereof at a port or place in the said Territories: and no Magistrate shall entertain a complaint on the part of an Apprentice against his Master or the Agent of his Master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board Ship during a voyage within three months after the arrival thereof at a port or place in the said Territories.

XVIII. If the Master of any Apprentice shall die before the end of the Apprenticeship, the Contract of Apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such Master on the binding of the Apprentice to him, shall be returned by the Executors or

Administrators out of the Estate of the deceased to the person or persons who shall have paid the same; unless the Executors or Administrators of the deceased Master shall continue the business in which such Apprentice shall have been employed, and shall, within three months from the death of the late Master, make offer in writing to keep the Apprentice on the terms of the original Contract; in which case the Estate of the deceased shall be discharged from all liabilities on account of such premium.

XIX. If such offer to keep the Apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the Executors and Administrators on the original Contract of Apprenticeship; and also on the Office Copies thereof, by the Magistrate or Registering Officer; and the Apprentice shall be bound to the Executors or Administrators so keeping him for the remaining term of his Apprenticeship.

XX. Any Apprentice bound under this Act, whose Master shall die during the Apprenticeship, shall be entitled to maintenance for three months from and after the death of his Master, out of the Assets left by him; provided that during such three months such Apprentice shall continue to live with, and serve as an Apprentice, the Executors or Administrators of such Master, or such person as they shall appoint.

XXI. The Apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an Act of Insolvency, during the Apprenticeship, shall be discharged from all obligation under the Contract of Apprenticeship; and, if any premium was paid on binding him as an Apprentice, he or the person or persons by whom he was bound shall be entitled to claim the amount thereof, as a debt against the Estate of the Bankrupt or Insolvent.

XXII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the Territories under the Government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIII. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate, provided the appeal is made within one month from the date of the order.

XXIV. In this Act the words "Master," "person" and "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

CECIL BEADON, *Secretary.*

INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

**CHARGE OF FREIGHT ON ALL PACKAGES
BY THE GOVERNMENT STEAMERS TO
ARRACAN AND MOULMEIN.**

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15

To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

To Arracan, ... Rs. 20

To Moulmein, ... „ 40

A quarter deck Passenger will be allowed a bed rolled up, a portmanteau or trunk of 5 cubic feet and a chillumchee.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,
Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties

are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.
Calcutta and Moulmein,... „ 40 ditto.
Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15
To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as

is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties

are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.

Calcutta and Moulmein,... „ 40 ditto.

Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The following Draft of a proposed Act was read in Council for the first time on the 15th of September 1849.

ACT No. — of 1849.

An Act to incorporate a Company for building a Pier at Madras.

Whereas a Company has been formed for building a Pier at Madras, which undertaking will be of great public utility, and ought to be encouraged, It is enacted as follows :

I. A deed of partnership for the said Company shall be prepared, subject to the approval of the Advocate General of the East India Company at Madras, and as soon as the deed so approved shall have been executed by the holders of four-fifths of the whole number of the shares in the said undertaking, either personally or by their lawfully constituted Attornies, and one-tenth part of the value of each share shall have been paid into the Bank of Madras or invested in Government Securities on account of the said Company, any seven or more persons, parties to the said deed, may apply to the Supreme Court of Judicature established by Royal Charter at Madras by Petition for leave to register the said deed in the Supreme Court, and the said Court, on being satisfied that the Provisions of this Act have been duly complied with, shall order the deed to be so registered.

II. The original Capital Stock of the said Company shall be five lakhs of Rupees, and shall be divided into one thousand shares, each of five hundred Rupees, and the amount of the Capital Stock may be at any time increased, by the creation of new shares of five hundred Rupees, to such amount as shall be approved by the Governor of Fort St. George in Council: but no such increase of Capital Stock shall be allowed to be made until a Memorial of such increase shall have been registered with the approval of the Governor in Council in the said Supreme Court.

III. Upon the registry of the deed of partnership, the persons by whom the said deed is executed, and all persons, who shall thereafter become possessed of any share in the said undertaking and their successors, shall be incorporated by the style of "The Madras Pier Company," and by that name shall have perpetual succession and a common Seal, and shall plead and be impleaded in all Courts and before all Justices and others, and may purchase and hold lands for the purposes of this Act.

IV. No action or suit, by or against the said Company, shall be affected by reason of the Plaintiff or Defendant therein being or having been a shareholder of the Company: but any such shareholder, either alone, or jointly with any other person or persons as against the Company, or the Company as against such shareholder, either alone, or jointly with any other person or persons, shall have the same right of action and remedy in respect of any cause whatever as if the same had arisen with a stranger.

V. Subject to the regulations of the deed of partnership, every shareholder may sell and transfer his shares in the said Company by deed in the form given in the Schedule (marked A) annexed to this Act or to the like effect, and the same, when duly executed, shall be delivered to the Secretary to the Company, who shall make an entry thereof in a book to be called the Register of transfers, and shall endorse such entry on the deed of transfer, for which entry and endorsement the Company shall be entitled to have the sum of one Rupee, and the Secretary shall give to the purchaser an acknowledgment of the transfer having been completed: and until such entry and endorsement are made the purchaser of the share shall not be entitled to receive any share of the profits of the undertaking, or to vote in respect of such share.

VI. The Company shall not be bound to see to the execution of any trust, whether express implied or constructive, to which any share is subject, and whether or not they have had notice of such trust, and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor idiot or lunatic of his or her guardian or Committee, or when more than one person is interested in any share, the receipt of the person whose name stands first in the register, opposite to such share, shall be a sufficient discharge to the Company for any dividend on account of such share, and the Company shall not be bound to see to the application of the money paid on such receipt.

VII. The Capital Stock of the said Company and the lands, works and buildings belonging to them, and all the property of the said Company, shall be held by them, and their successors as personal estate, and not as of the nature of real estate.

VIII. All suits brought against the said Company shall be brought in the Supreme Court of Judicature at Fort St. George, and not elsewhere, except as hereinafter provided, in the case of neglect or abandonment of the Pier.

IX. Service of any notice, writ or other proceeding, personally upon any Manager or Secretary of the Madras Pier Company, or by leaving the same with any clerk in the service of the said Company at their office or place of business, shall be deemed good service upon the said Company.

X. The said Madras Pier Company shall be empowered to build a Pier or landing place on such part of the beach of the Town of Madras as they shall think fit, but if built more than

yards southward of the present Custom House, not without the approval of the Governor of Fort St. George in Council, and for that purpose shall be empowered to dig out the beach and soil, at and near the place of such Pier, and to make all fit and convenient approaches thereunto, and, if they think fit, to enolose such approaches, and also to establish and maintain cranes and weighing houses, toll gates and houses, and all other buildings and appurtenances for landing and shipping men, animals and goods of all kinds at the said Pier, and for securing payment of the tolls hereinafter mentioned.

XI. The said Madras Pier Company may lay and maintain, from any part of the said pier to the Custom House for the time being, at Madras, such railways or tram roads as the said Company, with the approval of the Governor in Council, shall think fit under such restrictions and regulations where the same shall cross any public road or way as the Governor in Council shall think fit.

XII. The said Madras Pier Company may lay down pipes for the supply of water to the shipping along the said Pier, and from the Pier to the Government water-works, or such other tanks, wells and reservoirs of water as they think fit; and may dig into any of the public thoroughfares for the purpose of laying or repairing any such pipes, under such restrictions as the Governor in Council shall think fit for causing as little obstruction as possible to the public thoroughfares: and the Company shall be bound, with as little delay as possible, to restore any thoroughfare to its former state at their own expense.

XIII. The said Madras Pier Company shall be bound to light the said Pier and the approaches thereto, by means of a sufficient number of lamps, to the satisfaction of the Governor in Council.

XIV. The Madras Pier Company shall be empowered to make, from time to time, such bye-laws as they shall find necessary for keeping order and preventing nuisances on the Pier and the approaches thereunto, and for regulating the approach and stations of boats and vessels near the said Pier, and for the behaviour of the boatmen and others making use of the said Pier, and may impose penalties for the breach of such bye-laws not exceeding the sum of fifty Rupees for any one offence, or, in the case of continuing nuisance, not exceeding the sum of five Rupees for every day during which the nuisance is continued.

XV. No such bye-law shall be of force until approved by the Governor of Fort St. George in Council, nor until the same, as approved by the Governor in Council, has been published for one week in the *Madras Gazette*: and a copy of the *Gazette* containing such bye-law shall be proof in all Courts and before all Justices that the same was duly made and approved.

XVI. The Madras Pier Company shall be entitled to have, from all persons using the said Pier, such tolls as they, by any bye-law from time to time, shall think fit to impose not exceeding the rate of the tolls set forth in the Schedule, marked B, annexed to this act.

XVII. Copies of all bye-laws made under this Act shall be put up so as to be easily read in English and Dukkinee in the office of the Company, and in some conspicuous place or places on the Pier: and a copy of all such bye-laws shall be given by the Company, either in English or Dukkinee to every person applying for the same, on payment of four Annas, and the Company shall be liable to a penalty of fifty Rupees for every day during which, by their default, such copies are not put and kept up in the Office and on the Pier as aforesaid.

XVIII. The Madras Pier Company, by themselves or their Servants, may stop any person neglecting or refusing to pay any toll which may be lawfully payable by him or her for the use of the said Pier, and may seize and detain any boat, carriage or other conveyance, or any horse or other animal, or any goods carried or drawn thereon or thereby, for which a toll is lawfully payable, and if such toll and the reasonable costs of such seizure and detrain are not paid within twenty-four hours next after such seizure, may sell the same and reimburse themselves for all costs and charges incident to such seizure and sale over and above the amount of the toll, returning the overplus, if any, to the Owner on demand.

XIX. All disputes concerning the amount of any toll, or the charge of keeping and selling any distress, may be heard and determined by any Justice of the Peace for the Town of Madras, who shall have power to examine as well the servants of the Company as the person charged with payment of the toll, and all other witnesses, and to award such sum as he shall think fit, to be payable for costs and damages by one party to the other; all which costs and damages shall be recovered, with the costs of the proceedings, in like manner as penalties imposed under this Act.

XX. The tolls collected under this Act, and all sums of money received by way of composition for tolls, shall be applied, in the first place, to defray the wages of the Toll Collectors and other expenses absolutely necessary for the collection of the tolls, and in the next place to repairing, maintaining, cleaning and lighting the Pier and the works and buildings connected therewith, and in the next place to pay such salaries and expenses as are sanctioned by the Company, and to the improvement of the Pier and other works as the Company, from time to time, shall resolve; and then in payment of such dividends as the Company, from time to time, shall declare to be payable.

XXI. The Owners and Masters, or persons having charge of any vessel lying in the roadstead of Madras, shall be jointly and severally answerable for any damage or mischief done to the Pier or works of the said Company by their vessels respectively, or any boat belonging thereto, or by any Seaman, Boatman or other person employed by them respectively, and shall be liable to pay any compensation and costs of the proceedings on account of such damage or mischief, which may be recovered in one of the Supreme Courts of Judicature established at Madras, Calcutta and Bombay, or when the amount does not exceed two hundred Rupees may be awarded to be paid by a Justice of the Peace of the Town of Madras: and all sums so awarded to be paid by a Justice of the Peace may be recovered, in like manner, as penalties under this Act.

XXII. The Madras Pier Company and their Servants shall be empowered to seize any person whom they shall find destroying or damaging the said Pier and works, or committing any breach of the bye-laws made for prevention of nuisances thereon, and to detain him in custody until he can be carried before a Justice of the Peace for the Town of Madras, to be dealt with according to law.

XXIII. Payment of all sums of money awarded to be paid by any Justice of the Peace under this Act, and all penalties imposed by any such Justice, shall be enforced and recovered as pecuniary penalties incurred under Act IV. 1842.

XXIV. The Madras Pier Company shall be bound to allow the free and equal use of the said Pier and the approaches thereunto to all persons desirous of using the same, and tendering the tolls payable under this Act, and every Officer or Servant of the said Company, who shall wilfully obstruct any person desirous of lawfully using the said Pier, or who shall assault or use any scurrilous or abusive language toward any person using or desirous of using the said Pier, shall, on conviction thereof before any Justice of the Peace for the Town of Madras, forfeit and pay such penalty as the Justice shall award, not exceeding fifty Rupees.

XXV. Whether or not any penalty shall have been imposed on the actual offender, the Madras Pier Company shall be liable to be sued in an action on the case for any loss, damage or inconvenience sustained by any person lawfully using or desirous of lawfully using the said Pier, or the approaches thereunto, through any wilful obstruction, hindrance or delay caused to such person by any of their Officers or Servants.

XXVI. The Master Attendant and his Deputy, the Collector of Sea Customs and his Deputy, with their Boats, Vessels and Crews, and also all Officers of Customs and Police Officers in the discharge of their duty, shall be allowed to use the said Pier at all times, and freely to pass and repass thereon without payment of any toll.

XXVII. Grain and all other goods may be landed at the said Pier, without being liable to any penalty under Section X. Act IV., 1842.

XXVIII. A plan and specification of the intended Pier, according to an estimate of cost not less than Three Lakhs of Rupees, shall be deposited in the Office of the Chief Secretary to the Government of Fort St. George, within six months after the registry of the said partnership deed: and if the Madras Pier Company shall not proceed to build the said Pier, with all convenient despatch, and to expend thereon and on the approaches thereto at least Fifty Thousand Rupees, in every period of twelve months after the deposit of the said plan and specification until the completion of the said work, according to the said plan and specification, with such alterations as shall be, from time to time, approved by the Governor in Council, or if the said Pier shall be at any time thereafter abandoned or left in a ruinous and unserviceable condition, the Governor of Fort St. George in Council, may cause notice of the default to be given to the said Madras Pier Company: and if the Madras Pier Company thereupon shall neglect for the space of one year, after receiving such notice,

to remove all the materials of the said Pier, the Governor of Fort St. George in Council may take possession of the said Pier and approaches, which shall thenceforth become the property of the East India Company, discharged from all claim on the part of the said Madras Pier Company, and the said Governor in Council may either complete or repair the said Pier, or remove and sell the materials thereof; and if the Governor in Council shall remove the materials of the said Pier within one year from the time of taking possession thereof, and the proceeds of the sale of such materials shall not be sufficient to defray the costs of such taking possession, removal and sale, the East India Company may recover the amount of such deficiency by an action or actions at law, to be brought either against the Madras Pier Company, or against all or any of the shareholders of the said Madras Pier Company, in any of the Supreme Courts of Judicature in India, or Superior Courts of Law in Great Britain or Ireland, as if they were not incorporated, and were jointly and severally liable to make good the amount of such deficiency.
